**BOHEMIAN LIFE**  
VEAL SCALLOPINI VERCELLI  
2 lbs. veal roundsteak,  
sliced 1/8-inch thick  
4 Tbsps. oil  
Flour, salt, pepper  
2 Cups Sauterne wine  
Mushrooms or peas

Select veal off the round,  
without nerve tissues. Cut meat  
into very thin slices (not over  
1/8-inch thick). Dredge in flour,  
salt and pepper, and fry very  
slowly in oil until golden brown.  
Remove veal to Dutch oven or  
heavy baking dish. Add 2 cups  
wine to frying pan. Leave in  
pan 1 min. to sizzle, then strain  
and pour over meat in Dutch  
oven. Cover and let simmer 1  
hr. in slow oven (325 deg.) One-  
half hour before serving, add  
mushrooms or peas. Serves 6.

A variant which the wander-  
ing Savarin St. Sure would ap-  
prove of, we think, is to lift  
these scallops out of the sauce,  
cover each with a thin slice of  
cheese and three strips of an-  
chovy, washed of salt, and grill  
them a minute or two, then dish  
up with sauce over them.

## Local Roads Included in State Lists

Highway Division  
Recommendations  
of Importance Here

Several highway projects of much interest to Palm Springs and the Desert area are included in recommendations made this week to the state legislature by the division of highways. Riverside county's total highway needs were listed at \$68,055,000. Among the projects listed as needed was the grading and surfacing of Highway 74 from the Orange county line west of Elsinore, through Hemet and the San Jacinto mountains to a point where it joins Highway 111 at Palm Desert. Highway 74 includes the Pines to Palms highway. Cost of the project is fixed at \$3,723,000.

**THIS LONG-BOUGHT** improvement is designed to provide a high-speed route from the desert to the coast other than the highly-travelled highways further north.

The main east-west highway of the County, U. S. 60, also is in for a facelifting if the Legislature takes the deficiency report's advice. A total of \$12,315,000 is asked to make it a freeway for its entire length through Riverside and eastward to Beaumont.

This would provide a four-lane road from Palm Springs to the county seat.

"This estimate contemplates a relocation of Highway 60 through Riverside (now on Eighth Street)," explained Assistant District Engineer C. V. Kane. "But we have not tackled that problem as yet."

**THE MUCH-DISCUSS** free-way through Banning also is listed in the report, with an estimated \$8,195,000 called for to relocate the now bottlenecked business district stretch and make Highway 60-70-99 four lanes wide all the way into the Coachella Valley.

An estimated \$5,665,000 will be spent on the portion in the City of Banning, according to the report.

Another project of local interest is the improvement of Highway 111 from the Imperial county line, through Palm Springs into the Morongo Valley. This would cost \$4,190,000.

**LISTING OF DESI** improvements on major roads in all parts of the county was made in a deficiency report submitted to the legislature for its guidance in future allocations of

**TWO CLERKS MEET**—City Clerk Louise McCarn, left, chats with City Clerk Ruth Bruton of El Monte at the luncheon meeting of the Municipal Finance Officers of Southern California at the Chi Chi Saturday. Mrs. Bruton is an officer in the national organization and will attend a convention of that group soon.

## Finance Officers Meet in Village

Annual meeting of the Municipal Finance Officers association of Southern California was held at the Chi Chi club at a luncheon Saturday.

Included in the 102 members present were locals. City Treasurer R. W. Peterson and City Clerk Louise McCarn, City Manager Russell Rink welcomed the delegates.

Duane Wheeler, manufacturer of election supplies, addressed the group and discussed proposed legislation to clarify election laws and to facilitate handling of elections.

Richard Ewing of Arcadia, president of the Southern California group, presided. Johnny Boyle sang and played for the officers.

highway funds.

"The report does not include any projects for which money already has been budgeted," District Engineer Spencer Lowden commented. "It is meant to be an advisory report only and by no means indicates any of these projects will be started immediately."

Despite emphasis of state highway officials that the deficiency report does not amount to actual plans, its importance may be judged on the practical fact that a similar report made five years ago has been followed almost to the letter in Legislative action.

## Village Dancer Seriously Injured

Sally White, assistant to Roy Randolph at his dance studios, is in Pioneer hospital at Brawley, seriously injured as result of an automobile accident earlier this week.

Miss White was driving to El Paso where she planned to board an airplane for Mexico City, her home, when her automobile left the highway near Brawley and overturned.

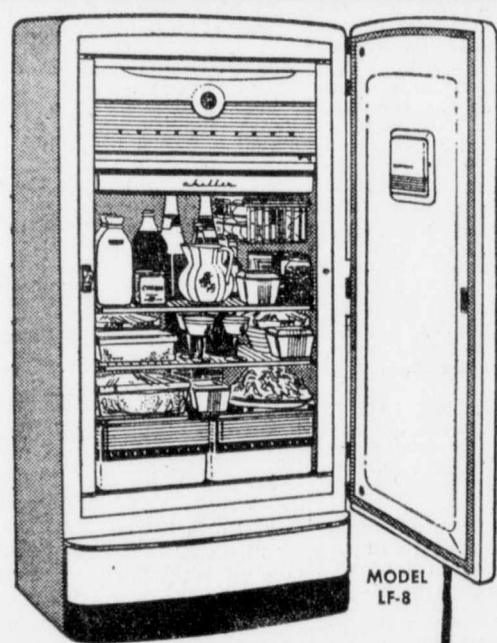

She suffered severe back injuries, the extent of which have not yet been determined.

## Village Policemen Catch Reflection of Atom Bomb

At 5:47 Saturday morning a brilliant flash lighted the northern sky over Palm Springs.

Three local policemen are the only persons in Palm Springs known by the Desert Sun to have seen the second atomic blast test in the Las Vegas area, over 200 miles northeast of here.

**CAR PATROLMAN** Dale Thompson reported: "I observed a very large and brilliant flash in the sky. This flash lighted the entire sky and mountains and appeared to have come from

the north. There was no sound. I had no idea what could have caused this, but I was sure it was not lightning."

Patrolling elsewhere were James Clarkson and Charles Travers. "We saw a large flash in the north. It was too large to be lightning so we drove out Indian avenue looking for the disturbance but could find nothing wrong."

**SUNDAY MORNING** about six o'clock Gene Turner, railroad engineer, saw the flash of the third

Las Vegas explosion. His engine was on a Garnet siding. Said Turner, "I saw this flash light up the whole sky—like lightning, only it looked different from lightning."

The Sunday morning test was the third blast in the newly created Atomic Energy Commission's test area on the desert wastes. The second occurred Saturday morning. Las Vegas residents said they thought the blast was the largest of the three.

Former governor of Massachusetts Alvan T. Fuller of Boston, who is wintering at the Desert Inn, was joined by his son, Alvan T. Fuller Jr. this week.

# Injured Youth Rescued from Local Canyon

Planned Test Run Turns Into Real Thing for Police

Palm Springs Mounted Police planned to make a test dash to rescue last Sunday but the "dry run" became the real thing when they were called upon to rescue a youth injured in Tahquitz canyon.

Injured in a 20-foot fall in Tahquitz canyon while on a hike with a girl companion was Richard Edwards, 13, of 2768 Grandeur avenue, Altadena. The boy landed on his head and back at the end of his fall from a trail near the lower falls and was at first reported to be in serious condition.

Chief of Police August Kettmann quickly summoned members of the Mounted Police. Led by Sgt. Jim Maynard the rescuers made their way to the side of the injured lad and carried him out by stretcher and by jeep. He was transported to the Palm Springs Community hospital where he spent a night.

The attending physician said young Edwards suffered from shock and bruises.

Members of the Mounted Police who participated in the rescue were: Del Smith, Swede Davis, Hutch Moseley, Elmo Purnell, Dr. William Aiken, Warren Coble, Jimmy Hume and John Hollinger, president of the organization.

## Rayburn Again Attacks Scape

Sheriff Cary Rayburn and Supervisor William Scape were at odds today with the sheriff issuing the latest hot statement.

Last week Scape said it could be that Rayburn's administration of the sheriff's department was costing taxpayers more than it should.

Monday Rayburn came back with the challenge to Scape to have an impartial committee look over the costs of the department and "I'm sure they will agree that I am running my department more economically than Scape is doing his job."

**Babbage Asks Data on County Courts**

Requesting information for introduction of necessary legislation in the present session of the state legislature, Assemblyman John Babbage in a letter to supervisors asked that he be advised with reference to the number of municipal court districts; the number of municipal judges and attaches needed; and salaries to be paid. The matter was referred to the County Bar association for recommendations.

**A CAPPELLA**—The Trojan choir, a University of Southern California organization touring 13 cities in Southern California and Arizona, will present a concert here Feb. 27. Proceeds from the event will go to the Lions club blind fund to further their work with handicapped children. Dr. Charles C. Hirt is shown directing the 40-voice group.

## Income Tax Men to be Here Again

More aid will be available Villagers next month in income tax payments when deputies from the internal revenue department return for a two-day stay.

The temporary branch office will be at World Wars Memorial hall, 400 North Bellard road on March 1 and 2, it was announced this week. It will be open from 8 a.m. to 4:30 p.m. both days.

All income tax forms will be available and free advice on the preparation of returns will be given. Completed returns may be filed and tax payment made. Robert A. Riddell, collector for California's sixth district, warned taxpayers not to wait until the last-minute rush. Filings made after the March 15 deadline are subject to delinquent penalties.

## Famed USC Choir to Sing in Village Tomorrow Night

The University of Southern California's famous 40-voice a cappella choir, on its fifth annual week-long tour of the Pacific southwest, will present a concert of sacred and semi-classical music at Frances Stevens school auditorium at 8:30 p.m. Feb. 27. Palm Springs Lions club will sponsor the concert with proceeds to go to the Lions club blind fund. The collegiate group will also sing at the high school at 1:15 p.m.

The choir is presenting 17 concerts in 13 cities in Southern California and Arizona. Dr. Charles C. Hirt, head of the department of sacred music in the USC School of Music and director of the university's five choral organizations, formed the choir in 1945. Its annual visits have always been eagerly awaited in all the cities on the tour route. The co-eds wear campus clothes and the boys wear slacks and sports shirts while travelling, and the group sings as it rides—at least for the first day or so. Later in the tour they rest while the bus driver sings to them as best he can. He attends each

concert and has memorized many of the choir's numbers. Formal dress is the rule for each program, when sacred music is sung, all the singers wear maroon robes with white collars just as they would in many a church choir. For the second half of the program, the women wear formal dresses and the men tuxedos.

## Original Ruling in Mrs. Davis' Case Reaffirmed

Judge John Gabbert in superior court Friday reaffirmed his earlier ruling declaring Mrs. Thelma Wertheimer Davis incompetent to manage her property at the conclusion of a rehearing of the case.

In an order last year, Judge Gabbert placed Mrs. Davis' property under guardianship of the Bank of America and appointed her daughter, Mrs. Mary Ryan O'Brien of Huntington Park, her guardian.

Her daughter filed the petition asking the appointment of guardians. Judge Gabbert granted the petition after a first hearing last year. But he reopened the case after Mrs. Davis' attorney, William Shaw, said he had new evidence.

Judge Gabbert completed the hearing of the new evidence early this week.

## Varner Proposal for Master Plan Dies in Silence

County Supervisor Homer Varner offered a proposal Monday that the County Planning Commission be instructed to draw a master plan to guide the County government's building program for the next 25 years.

But the other four Supervisors killed it with silence. After Varner made his motion, they didn't say anything or do anything but sit at the board table and look down.

And finally Supervisor Chairman Irwin Hayden declared the motion lost for lack of a second. Varner is the board's strongest supporter for planning of land use. He was a member of the County Planning Commission himself until he was elected Supervisor two months ago.

And he comes from a district (the Fourth, which includes the Palm Springs area) that is perhaps more receptive to planning than other districts.

Palm Springs, Fri., Feb. 2, 1951 The Desert Sun—3

(DuBose Photo.)

## Fifteen Girls in Contest to Become Queen

Applications have been given to fifteen girls who want to be at the Plaza Theatre to represent

Palm Springs in the competition for the title of Queen Shahrzad at the 1951 Riverside County Fair and National Date Festival February 16-22.

Preliminary judging will take place this afternoon so that the final winner will have been selected for her character, personality, and poise as well as her beauty. Frank Bogart will be M.C. the final judging at 9 p.m. at the Plaza Theatre.

Miss Palm Springs will receive a floral crown from the Palm Springs Florist and a corsage every day during the Festival from the Village Flower Shop. Other local merchants will shower the winner with over \$125 in gifts and merchandise orders. She will also be outfitted in Arabian dress for her appearances in the famed Arabian Nights Pageant and for other activities during the Fair. From February 15-23 she will be a guest at the Hayes Desert Palms Ranch in Indio.

Bob Bell, a member of the 20-30 Club is in charge of the local contest. Entrants from Palm Springs high school are: Janice Costello, Pat Sproule, Pat Brady, Sue Waite, Natalie Zirnisky, Shirley Doyle, Barbara DeVorzon, Nancy Rae, Susie Cooper, Ann Ellis, Sandra Brott, Pat Warner, Dorothy Gay, Marilyn Ashbaugh, Myrna Stewart.

From Page One—MORE ABOUT

### THIS SIDE

... Clara Dwyer said that when we had a slight earthquake two years ago everybody left. Of course, that's slightly exaggerated but it proves a point because she added that when Reno had a flood they kept right on gambling and when Las Vegas had an atom blast, it wasn't the only cause the chips rattled. Ethel and Jim Whitehorn were in a hotel there when the first atom blast let loose. It broke all the windows in their room and scared a lot of people. But when they went down to breakfast an hour later, the gambling was on uninterrupted. ... Seems it takes more than an A-bomb to deter people trying to get even.

**SAW A LOT** of television sets being unloaded at a local store this week. Wonder if they know anything the rest of us don't. ... If you want an expert opinion on driving habits, expertly expressed, ask George Oliver. ... With Mrs. Oliver he was headed for Los Angeles last week when around a curve from behind a line of trucks came a big car in the wrong lane. ... It sideswiped the Oliver car, overturning it, injuring both. ... Oliver's opinion of the stupidity of that driver, passing in the wrong lane around a blind curve makes excellent listening for people who feel like I do. ... On the other hand, I want to thank three or four nice people who, I have noticed, stop to let you turn into the Drive from a side street instead of honking the horn and glaring at you as they zip by. ... There are such people.

Today the annual pilgrimage I hope that I have luck. And from Anita can come back With at least a lonely buck.

## Red Caps at Chi Chi for Engagement

Irwin Schuman's Starlite Room will ring to the music of Steve Gibson and his Red Caps, famed recording artists to take the feature spot on the entertainment bill starting Sunday night.

An added attraction is America's new sensational singing star, Nino Milo, who has just returned from a successful European tour. Garwood Van and his band continues to provide the dance music and tonight and Saturday will be the last time patrons will be able to enjoy the dancing of Peggy Ryan, of motion picture fame and her dancing partner Ray McDonald.

## Fast Baseball Teams to Clash Here Feb. 11

The Pasadena Indians, Cleveland Indian winter team and a member of the Los Angeles triple A winter baseball league, will meet the Eagle All Stars at the Palm Springs Polo Grounds Sunday afternoon at 1:30, Feb. 11.

Johnny Lindell, New York Yankee, Tony Villa, all star second baseman from Riverside and the Sunset league, and other minor and major league players will be seen in action. Several non-professionals will also participate.

Scouts from St. Louis Cardinals and several other major league teams will be on hand to watch for farm club talent.

## Dr. V. A. Chapman Finally Gets Home

Dr. V. A. Chapman, injured in an automobile accident in Missouri while en route home from a vacation in Michigan, is finally back at his office in the Carnell building.

## James Orchestra Here Next Week

Ticket sales continued this week for the Harry James dance band slated for Feb. 10 at the Pavilion. Stockers club, sponsors of the event, last week set up a booth in front of Bank of America on Palm Canyon drive.

The James aggregation will include the entire organization with vocalists Jan Stewart and Dick Williams. Proceeds from the dance will go into the automobile club's treasury to buy mechanical equipment.

Most of the Stocker members earned money toward the dance by helping the Desert Riders clear local desert horse trails of debris.

Tickets are available at the booth or from any Stocker at \$1.50 per person. Food will be served and the bar will be open.

## Dirty Work at Crosswords to go on Again Tomorrow

If it were not for the hero, it would certainly be a tragic ending, but there is a hero.

Dress rehearsals for "Gaslight Gaities" are scheduled for tonight, and from a look at some of the costumes I would definitely say that "things are shaping up." In the oleo acts.

"Gaslight Gaities" is the third annual melodrama performance of the Palm Springs Business Women, all locally directed, designed, and an all-woman cast, with all that goes with such an evening's entertainment. There will be community singing, just as you like it.

This performance will be given only once, on Saturday night, February 3rd, at the Wars Memorial Auditorium. Tickets have been on sale for two weeks, and at this writing it takes a little string-pulling to find one that is unsold.

I overheard two of the Business Women talking the other day and one of them mentioned the cooperation and consideration received from her employer during these three months of rehearsals. We are pleased to have employers who understand the value of this effort—the proceeds go to Community Welfare, and it is really a worthy cause as well as being wonderful entertainment. This is one time you can help your community and at the same time have a "bang-up" good time yourself.

## De Molay Heads to be Installed at Program Sunday

Homer Rathburn of Glendale will install Robert Lee Mennell Master Councilor of the Palm Springs Chapter of De Molay in ceremonies at the Masonic Lodge Sunday at 6 p.m. Judge William R. McKay of Los Angeles, Past Grand Master of DeMolay, will be guest speaker at this, the first installation of DeMolay officers to be held in the new lodge on Tachevah Drive.

Rathburn will also confer the Degree of Chevalier upon Jim Willis and Norman Rasmussen. This degree is received by only a few De Molays each year throughout the world for outstanding service to the organization and the community.

Other elected officers who will be installed are Jeremy Crocker, Senior councilor and George Ritter, junior councilor.

Families and friends of the chapter are cordially invited to attend this impressive program. Refreshments will be served by the Mothers' Club following the installation and degree.

Arthur Cohen, head of the Arthur Cohn Associates, advertising, has rented a home in La Quinta for the winter.

**AT SADDLE AND SIRLOIN**—Dave Lyon's Saddle and Sirloin was host to more than 60 members of Arrowhead Men's Service fraternity at a banquet last week. The group is composed of San Bernardino Valley Junior college leaders. Above, left to right, Jerry Horton, outgoing vice president; Luster Hauth, outgoing president; Bob Garret, new president and Dave Goodman, incoming vice president.

## King Cole at Saddle and Sirloin

Nat "King" Cole brings his internationally famous trio, his scintillating piano artistry, and his personable and intimate vocal stylings to patrons of Palm Springs' own Saddle and Sirloin restaurant opening tonight for three nights.

The King Cole Trio isn't new to owner, Dave Lyons, having worked two years for Lyons ten years ago in the Radio Room in Hollywood.

Recognized as one of the top recording groups in the country, the trio made famous such tunes as "Sweet Lorraine," "It's Only a Paper Moon," "I Realize Now," "Embraceable You," "Come to Baby, Do," and so many more. Latest recording featuring the voice of Nat "King" Cole with a large orchestral and chorus background is "Jet" with "The Magic Tree" on the reverse side. His "Christmas Song" also ranks right up there along with Crosby's "Silent Night."

The other members of the combo are: Jack Costanzo, drums; Joe Comfort, bass; and Irving Ashby, guitarist.

## High School to Present "Pirates of Penzance" as Annual Operetta

Yep, "The Pirates" are coming! They'll "take" the town February 27, 28 and March 1, for they're the famous "rollicking band" of comic opera fame, "The Pirates of Penzance," most tune-fully charming hoodlums ever to invade any stage.

Behind false beards, fancy bonnets and wigs, will be Palm Springs high school students, presenting their annual operetta under direction of Wynne and Alex Hammond. The musical "invasion" will be staged at Frances Stevens auditorium.

When the well trained soprano chorus carols "Tis Mabel!", it will be Anne Bluechel, daughter of Dr. and Mrs. T. J. Bluechel.

When "Frederic" the hero, appears out of a cave and sings: "Stop, ladies, pray!", it will be Donny Brown, son of Mr. and Mrs. Donavon Brown of Desert Hot Springs who mesmerizes the ladies, on and off stage.

Mary Jean Lennie, daughter of Mr. and Mrs. Henry M. Lennie of Thousand Palms will interpret the brilliant contralto role of "Ruth." Leo Rojo, Jr., son of the famed local musician, will sing the Pirate King.

Soloist "daughters of General Stanley" will include Mari

Frost, daughter of the Barry Frosts; Sally Behneman, daughter of Dr. and Mrs. H. M. F. Behneman.

Bobby Brown, son of Mrs. Lorene T. Emery, will be lieutenant to the Pirate King.

Gustave Patzner's high school orchestra will accompany the performance, an achievement also, since the score is considered by musical experts a challenging test. Other castings in the operetta will be announced soon.

## Jewish Women Group to Hear Noted Speaker

Mrs. Goldie Moss, widely known speaker, will address the Palm Springs Jewish Women's group next Tuesday at the Jewish Community Center, 332 West Alejo road.

An outstanding leader in women's groups of Los Angeles and a member of the Speakers Bureau for Red Cross, Community Chest, and United Jewish Appeal, Mrs. Moss' activities last year included writing and directing all of the radio scripts for KFWB, reporting the work of women's organizations in Los Angeles. She is a member of the Emigre committee to solve problems of new Americans, and is very active in the Parent Teachers' association. Her subject for discussion at the meeting will be "Jewish Women at Home in the World Today."

Mrs. Leo Baker, president, said many matters of importance are on the agenda of the day. Refreshments will be served, and members and guests are urged to attend.

## Western Film Here for Rodeo Weekend

In cooperation with the Palm Springs Rodeo Association, the Village Theatre has scheduled the finest of the new western films this weekend. Alan Ladd is at his best in Paramount's thrilling new western hit, "Branded," filmed in flaming technicolor and co-starring Mona Freeman and Charles Bickford.

## ENTERTAINMENT

Palm Springs, Fri., Feb. 2, 1951 The Desert Sun—5

## Private Lives Next Week at Playhouse

"Watch on the Rhine" which continues its run at the Palm Springs Playhouse tonight, Saturday and Sunday will be followed by the Tuesday night opening of "Private Lives."

Starred in the role of "Kurt" which was first made famous in the original Broadway production by Paul Lukas, is Barnard Hughes. Considered one of the strongest plays of recent years the "Watch on the Rhine" production was first played this summer by the Playhouse company at their Highland Park, Illinois playhouse. Throughout its run it played to packed houses.

Palm Springs audiences have already indicated their approval of the production, with many more theater goers planning attendance during the last three days of the run.

Seats are available and may be obtained by calling the Playhouse, 5563.

Michael Ferrall, playhouse director, appears in "Watch on the Rhine" in the role of "Teck," while much local interest has been aroused by the appearance of youthful Dennis Hammond, son of Mr. and Mrs. Alex Hammond, in the role of "Bodo."

Other parts are skillfully handled by Helen Stenberg, Marrian Walters, George Womack and newcomers to the playhouse group Edith Kopelson and Sally Buttery. Miss Kopelson trained and appeared in Max Reinhardt productions while Miss Buttery's roles on Broadway include appearances in "I Remember Mama" and "Dark of the Moon."

Noel Coward's delightful "Private Lives" which presents a definite contrast to the serious "Watch on the Rhine" drama, will be played by Marrian Walters, Barnard Hughes, Helen Stenberg, Michael Ferrall and Christy Palmer.

## Bands Compete Here April 7

The 1951 Bands Competition of the Desert Circus, expected to attract between 20 and 30 music units here from all parts of Southern California, will be staged as a benefit for the United Fund of the Palm Springs High school band, according to action taken by the 15th Annual Circus executive committee.

Invitations are going out within a few days to high school, junior high, college, sponsored and service bands, asking them to take part in the exhibition here on April 7 as a prelude to the 15th Annual Desert Circus to be staged later that day.

## Rogers Ranch Opening Set for Feb. 9

Opening of Rogers Ranch club has been set for Feb. 9. It was announced this week. A gala first night party is planned with entertainment provided by the Cass County Boys, prominent western orchestra.

The private club has been re-decorated, cottages are being built and a pool will soon be under construction.

First night guests will include Mr. and Mrs. Bill Gargan, Robert Welch, Mr. and Mrs. Sam Briskin, Mr. and Mrs. Phil Harris, Mr. and Mrs. Charles Farrell, Mr. and Mrs. Sam Henderson, Mr. and Mrs. George Maypole and Mr. and Mrs. Bill Morrow.

About 500 guests are expected opening night.

## New Hit Films Scheduled by Plaza Theater

Scheduled for a week's run at the Plaza Theatre is the picture of the famous Pulitzer prize play "Harvey" opening tonight, starring James Stewart as Elwood P. Dowd, the most lovable character of stage history.

The Plaza announces that the film to follow Harvey, will be MGM's spectacular production of "Kim," adapted from the famous story by Rudyard Kipling and starring Errol Flynn with Dean Stockwell and a cast of thousands. MGM transported their entire company to India to film this outstanding new screen venture. Filmed in technicolor, "Kim" is said to enhance the screen with even more beauty and spectacle than MGM's former overseas production "King Solomon's Mines."

Pictures following "Kim" are to include Irene Dunne and Alec Guinness in the already world famous production of "The Mud-lark," then Dean Martin and Jerry Lewis will have patrons laughing for weeks over their hilarious antics in the new comedy hit "At War With the Army."

## El Paseo Brings 'Bitter Rice' to Screen Feb. 3

Among the many fine new films being selected for showing at Palm Springs' popular El Paseo Theatre is the sensational Italian film, "Bitter Rice," which opens a weeks engagement starting Thursday, February 8.

"Rice," now in its 14th week in Hollywood, is said to be the most popular Italian import since the famed "Bicycle Thief" last season. The film introduces a new personality, Sylvano Manganio, quoting Walter Winchell: "Manganio is Xxder than both Mae West and Jane Russell."

Arrangements are now being made with Stanley Kramer, producer of "Cyrano de Bergerac," to screen this famous film at the El Paseo

## Another Fine Program for Club Women

By RUTH MARTIN

Anyone who was present at the Palm Springs Women's Club last season when Franklin Lacey appeared in his famous and clever impersonations and monologues will be overjoyed to learn that he is booked for a return engagement for February 5th at three o'clock in the afternoon so all those who did not have an opportunity to hear him then are assured of an afternoon of fun and gaiety seldom offered in the entertainment world.

This interesting and internationally known American monologist has appeared before thousands with his versatile programs and keeps his audiences in gales of laughter with his brilliant and witty impersonations. Television has claimed him for over eighty appearances and he has given over 2500 performances before Women's Clubs, Town Halls and other large groups. He considers character sketches more fun than any other form of theatre art because they allow the performer to visit with the audience.

Tickets will be on sale at the door at the usual price of \$1.20 and guests will be admitted by card also.

ON PROGRAM — Franklin Lacey who will appear on Women's Club program next Monday in return engagement.

## Weekly Bridge Teas Resumed at Tennis Club

Weekly bridge teas are being resumed this season at The Tennis Club every Thursday afternoon. The card parties are sponsored by Mrs. Harold Murphy with funds raised donated to the Order of Eastern Star. These afternoon parties are open to members and their guests. First in the series of eight weekly bridge teas was held yesterday (Feb. 1st) in the Lateral Room. For reservations contact the Tennis Club.

## Palm Desert Sunbeams

By EDITH EDDY WARD

This has been "party" week in Palm Desert and first off—and perhaps the most booming was the "Gay 20" party at the Shadow Mountain Club. They trooped in by the dozens to the old-fashioned affair. Several came dressed up silly-style in everything from the "Gay 90's" era to those shapeless flapper dresses. At the height of the jamboree prizes were awarded to the couples with the most authentic and humorous costumes. Joining in the community sing were Murray Howard, Marian Patterson, John Miller, and Don Leahy. At another table were Larry Wolfe, Beverly Jones, and Jacqueline Hillman. A cute touch was added to the atmosphere by putting a couple of "horseless carriages" on display and an old fashioned photographer who snapped pictures of the happy crowd. Having lots of laughs watching the Charlestoners go to town were Mr. and Mrs. Roy Nafziger, Mr. and Mrs. Herb Fritz, Mrs. Polly Wilson, and Mr. and Mrs. Charles Povey. All the old car caravanners, Ruth and Robert Gottlieb, Mr. and Mrs. Lloyd Shearer and Marc Daniels left early the next morning in order that they could drive their cherished old buggies back to Los Angeles by nightfall. Nothing like the "good old times."

One of the happiest ceremonies yet conducted by the Palm Desert Community church was the christening of Pamela Peck, daughter of Vernon and Lorraine Peck of the Palm Desert Adobe. Little Pam has the distinction of being the first child to be christened in the new church. Her very proud god-parents are Mrs. Myrtle Zint and George Pike. It was a doubly happy occasion because little Valerie Zint, daughter of Mr. and Mrs. Carl Zint, was also christened and her god-mother is Lorraine Peck. After the ceremony the children had a dinner party and joining in on the fun were Briggs Bosworth, son of Mr. and Mrs. C. Bosworth, and Melinda Pike, daughter of Mr. and Mrs. George Pike. The grown-ups didn't let the children out to them, however; Lorraine and Vernon Peck hosted at a cocktail party that evening in honor of Carl and Myrtle Zint who just arrived from Mexico.

Always something terrific is the Sunday buffet served every week at the S.M.C. Spotted looking over the beautiful buffet table were Dr. and Mrs. H. S. Hanson and their charming and talented daughter, Beverly Hanson, woman's golf champion. Also, Helen Dettweiler, 6th best woman's golfer in the country. Dr. and Mrs. M. L. Redman and their guests Mr. and Mrs. Harry Barns from Wichita, Kansas. Dining and dancing also were Mr. and Mrs. R. D. Roberts, president of Credit Managers

association and their very personable daughters, Jessie and Betsy. Also Mr. and Mrs. A. H. Shepard and party from Temple City.

A special treat was enjoyed by members and guests Monday evening at the club. Along with learning to do the mambo, Monday nights are special dance instruction nights with teacher Roy Randolph, they heard Chuy Reyes play a few selections of some of his best recordings. On the floor learning the tricky steps to the very popular dance were Wilber Bear, Mrs. R. Van Cleff, Mr. and Mrs. R. G. Meyer, and Irene Matthias. Roy Randolph was the first one to teach the mambo 3 years ago in his studio in Cuba and he is leaving soon for New York where he will teach via television. His new assistant for that particular evening was Mrs. Dottie Todd, no end to her talents. The Todds supply the very danceable music every evening at the club.

The torrential rains up and down the coast by-passed our desert paradise so it was our pleasure to entertain many personages of note during the weekend. Saw "Harvey," Jimmy Stewart to non-movie-goers and his wife, Gloria. Also asking in the sun was Allyn Smith, U.C.L.A. homecoming queen, and her friends, Jim Burton, Bob all were guests of the Bill McLaughlins of Palm Desert. Relaxing by the pool were Mr. and Mrs. J. Veisse, Mr. and Mrs. Kirk Johnson, and A. Ray Benedict and family.

Reservations have been pouring in for the tennis matches to be held here Sunday. Looking forward to seeing Jack Kramer and Gorgeous Gussie Moran play are Mr. and Mrs. Bruce Odium, Alvan T. Fuller, ex-governor of Mass., and Mr. and Mrs. B. McLaughlin. Of special interest will be the added attraction of the match between Cliff Henderson and Bobby Riggs versus Charlie Farrell and Bob Vandezell. The loser of this match will donate a large sum to the March of Dimes campaign.

St. Valentine's Day with its romantic tradition is always a good party time. A gay affair at the Shadow Mountain Club will afford Palm Desertites much pleasure as this February date approaches.

Joel McCrea Guest of Mrs. Ole Olsen

Mrs. "Ole" Olsen's guest this weekend at the Shadow Mountain Club in Palm Desert was Joel McCrea of Hollywood. The group attended the Reliability Run of the 1920 automobiles held on the Shadow Mountain Terrace.

## Patronesses Named for Silver Tea

Patronesses of the Annual Silver Tea and Benefit, under the auspices of the guild of St. Paul's in the Desert which will be held at the Tennis Club on Shrove Tuesday, February 6th, from 3 to 5 p.m., are Meses. Austin McManus, Wm. B. Ma-louf, James S. Kemper, Charles Dant and Noble Banks.

A musical, a fashion show and special prizes will all be features of this year's program," said Mrs. Kenneth B. Kirk, president of the guild and general chairman of the tea, who is being assisted by Mrs. Edward E. Maggard, vice-president of the Guild.

A varied and interesting musical program has been arranged by music chairman, Mrs. John S. Lapp, with Mrs. Eber D. Kanaga assisting. The fashion show, "Desert Silhouettes" featuring "round-the-clock resort wear by Allardale Shop of Beverly Hills" will be one of the outstanding highlights. Mrs. Richard Pace, chairman of special prizes has already received many handsome prize donations," concluded Mrs. Kirk.

Refreshment chairman, Mrs. H. Earl Hoover and committee members, Meses. Fred Markham, C. H. Woodmanson, Frank W. Sawyer, Eber Kanaga and Frank Partridge, have completed plans for the large gathering expected and to which both men and ladies are cordially invited; and Mrs. Raymond Wilson, decoration chairman, assisted by Mrs. John S. Hobson, are planning an unusual motif in decorations for the big party.

Ticket donations for the tea and benefit may be obtained by telephoning your requests to Mrs. Kirk or through any of the following ticket committee: Mrs. Frank W. Camp, Mrs. Harrison Leussler, Mrs. Earl Henderson, Mrs. Dean Vincent, Mrs. Archie Linkletter.

CHAIRMAN—Mrs. Kenneth B. Kirk, general chairman of the Silver Tea to be presented by St. Paul's Guild on Shrove Tuesday, February 6, at Tennis Club.

## Impromptu Show at Racquet Club Has Plenty Talent

An unrehearsed, unprepared, but thoroughly enjoyable evening of entertainment took place at the Racquet Club Sunday night, (Jan. 28). A "Stork Club's dream" was this group of celebs who one by one grabbed the mike. Gordon MacRae started things off with "Old Black Magic." Then he called his friend, Bill Orr, to the stage for a few of his famous impersonations: Jimmy Stewart, Franklin Roosevelt, Humphrey Bogart, Henry Fonda and James Cagney. Jane Russell, (Mrs. Bob Waterfield,) looking exotic in a red, fringed stole, sang a few torchy numbers. The "program" culminated with the rich voice of Vic Damone. Applauding from the sidelines were the Dennis O'Keefe's, the Don Paul's, (Don is center for the Rams.) Jack and Bonita (Granville) Wrather, and the Vince Fete, Jr.

## Brucie Shaw Marks Birthday

Two candles burned proudly atop Brucie Shaw's birthday cake for the gleeful party attended by fellow toddlers, their older brothers and sisters and doting adults at the Calle San Antonio residence of Brucie and his parents, Mr. and Mrs. Lester Shaw, last week.

Jimmy Normandin, who has just mastered the art of walking, and Sally May, two Brucie's cousins, were the only romper set members at the function. Martin May and Brucie's brother Jeff, both nine, were co-hosts or "herders."

Other celebrants included Brucie's uncle and aunt, Mr. and Mrs. Cecil Shaw of Pomona, their children, Sarah and Robert; Mr. and Mrs. E. M. May of Rivera; Mr. and Mrs. Alfred Normandin of El Placer road.

## At Palm Desert

Mr. and Mrs. R. Kennedy Hansen of Pittsburgh, Pennsylvania, have arrived at Palm Desert for the remainder of the winter season. This is Mrs. Hansen's second visit, having been here a month ago to acquire property, and make plans for building at Palm Desert.

## Betrothal Announced at Function

Nuptial plans of Mort Gilbert, son of villager hotel-owner Esther Gilbert, and Beverly Marmarosch, daughter of Mr. and Mrs. Samuel Marmarosch of Westwood, were revealed during gala function held at Fox and Hounds on Wilshire boulevard in Los Angeles last weekend.

May 13th will be the wedding day, with solemnities climaxed at Beverly Wilshire hotel with gala reception.

Mort, law major at University

of Southern California, will be 21 years old on his marriage day. By his superior grade rating at U. S. C., Mort is assured of finishing the spring term before answering call to service. Mort conducted tours throughout Europe last summer for a travel service concern, returning to Palm Springs to visit his mother in October.

Mrs. Gilbert owns La Siesta and El Morocco hotels here.

## C. J. Miller and Party at SM Club

The Shadow Mountain Club's newest acquisition is C. J. Miller, of Hollywood. He witnessed club activities this week with Miss Marion Paterson of Manhattan Beach.

## Villagers "Elope" to Laguna Beach to Dodge Local Friendly Festivities

"Eloping" to avoid local friendly festivities, Villagers Fritzie Noyes and George Kuffner disappeared last weekend, returned to announce their marriage, solemnized quietly at Neighborhood Congregational church in Laguna Beach last Friday.

Accompanying them on their secretly-motivated journey were Mr. and Mrs. Dick Parton of Whitewater.

The new Mrs. Kuffner, office nurse for Dr. C. H. Baldwin, and George, staffer at Kenny Paul's Auto Club headquarters, will

## Oregonians Relax at Shadow Mountain

## Social Highlights

### Barbara Jones to Become Bride

Still busy with her studies at Pomona College there has been little time for pre-nuptial parties for Barbara Jones who will become the bride of Crawford (Greg) Brown February 11th. However while at home for a short time over the week-end she was feted with a luncheon shower by Adele Woods at The Tennis Club. Guests were old Palm Springs High School friends Mary Pender, Betty Wright, Marilyn Surum and Ann Welles.

Adele will be Barbara's maid-of-honor and bridesmaids will be Peggy Squire, her roommate at Pomona, and Beverly Brown, sister of the groom-to-be. The couple will be married in Glendale, where they will make their home after a honeymoon at undisclosed destination. Greg is manager of Personal Finance, Glendale.

### Entertains at Farewell Party

So that their houseguests, Mr. and Mrs. Eugene Kegley and other visitors from the coast could see their Village friends and say good-bye before returning to their homes, Lillian and John McClure gave a late afternoon and evening cocktail buffet in their Tahquitz River home Sunday.

All very gay and very beautiful with cocktails served by the pool and small tables set up inside for a delicious buffet supper.

Other out-of-town guests were Mr. and Mrs. Dan Dunlap, Mr. and Mrs. Howard Stassforth, Mr. and Mrs. Dick Winans, and Mr. Harold Cooper of Santa Monica.

Other guests were Mr. and Mrs. George Wheeler, the Walter McManuses, Earl and Kay Cordrey, Genevieve Keighley rushing to help Bill doctor his foot for next evening's Lux broadcast, the Robert Ransoms, Billy and Vivki Malouf, the Owen Churchills, Helen and Ken Kirk, the Belmont Sanchez's, Bill and Betty Bannerman.

Mrs. Thomas Sullivan has arrived to spend the rest of the season in the home she and Mr. Sullivan have leased on Camino del Mirasol. She was luncheon hostess at The Tennis Club for her sister, Mrs. Arthur C. Thorsen and Mrs. Allen Chase. Mr. Sullivan is in that below zero weather in Chicago but will return next week. Other Pasadena houseguests of Mrs. Sullivan's this week are Mrs. Frederick Kayser and Mrs. Albert Potter.

Mr. and Mrs. Frank Bogert came up from Thunderbird Golf Club to entertain guests at dinner. In their party were Mr. and Mrs. Earl Gilmore, Mr. and Mrs. Mackall Jason and the Andrew Madisons. . . . Los Angeles socialites dining were Mr. and Mrs. Homer Toberman and the Russell Havenstrites.

### Springtime in the Desert

Mrs. Henry Dillard's luncheon for patronesses of the Red, White and Blue Ball looked like 'Springtime on the Desert' in the Racquet Club's Garden Room with all the guests in light summer frocks. Reports from the various committee chairmen indicated running in all plans for the March 17th charity ball.

Thursday afternoon found the club teeming with pulchritudinous models displaying those dreamy Irene originals at a fashion tea. More than 400 fashion-conscious women and several model-conscious men gazed admiringly at the visions of loveliness gliding past their tables.

The flying Feldman's, Tex and Jayne, zoomed down on Palm Springs in their private Douglas B-23 last week and joined Jayne's brother, Jim Copp. Jim is the "Skylark" of L. A. Times and has been giving a nice accounting of Palm Springs society in his column during his week's stay at the Racquet Club.

Guests of Virginia and Charlie Farrell over the weekend were Mrs. H. C. Nelms of Houston, Texas, and Mrs. Richard Gill of San Antonio.

### Cobina Wright at La Quinta

Cobina Wright was a guest at La Quinta hotel over the weekend, en route to her Beverly Hills home after a visit in Tucson and Phoenix. Dinner party for her Sunday evening was hosted by Lee Anderson and included the Dick Winans, Mr. and Mrs. Lawrence Kent of London, Mr. and Mrs. James Miller, Los Angeles, and Mrs. Charles Boyer.

Mr. and Mrs. Ray Dodge will arrive from Chicago the first of next week to spend a week or so in their Palm Springs home before returning to Florida. Plans are to return with a group of Florida friends to take in Circus Week activities.

Mr. and Mrs. Charles Enyart of Akron, Ohio, arrived Sunday for a two week's visit with long-time friends Mr. and Mrs. C. L. Gouger of Akron and Palm Springs. Golfing and a number of small parties are on the entertainment program for the eastern visitors.

### At the Odum Ranch

Mrs. Jane Drinkwater of La Jolla has been guesting at the Odum Ranch with Helen and Arnold Odum, friends from the time the Drinkwaters and Odums were married and had adjoining honeymoon cottages. . . . Ed Bacon down from Palo Alto is in his home on Stevens Road for a short stay. He and Estelle will be coming down to take in both divisions of Desert Circus Week. . . . Mrs. Demar Denkins of Los Angeles has been the guest of Mr. and Mrs. Wm. Moncrief at their San Lorenzo home. . . . Juanita Crockett is up and about again after a bout with the flu, following a week's vacation in Los Angeles, after entertaining her two young grandchildren for two months.

Mr. and Mrs. Leroy Sanders, winter colonists of Smoke Tree Ranch entertained the ranch staff—some fifty in number—taking them to the Playhouse for evening's performance. In another group Miss Diane Disney, daughter of the Walt Disney's, Miss Anne Middleton, Mrs. Gifford Seitz, Portland, Mrs. C. A. Hayward and others. . . . Birthday celebrations at the Desert Inn this week included that of Miss Peggy Schiff, Seattle, who is a season guest with her grandmother, Mrs. E. M. Harrington; and Mrs. M. B. Quivey of Mitchell, Neb., a season guest.

### "Suited for the Occasion" Theme of Fashion Show

"Suited for the Occasion" will be the theme of tomorrow's Fashion Luncheon at The Desert Inn, with the new slim fashions, belted suits and those with boxy jackets. All the new fabrics are light in weight but sturdy in strength.

Desert Inn guests planning to attend include the L. V. Britts of Grosse Pointe, Mich., Mrs. P. W. Smith of Wayzata, Minn., Mrs. George Black and Miss Nancy Black of Louisville, Mrs. R. A. Tracy and Mrs. E. K. Smith of Bismarck, N.D., and the Howard Flints of Detroit.

### Fishing is Better On Desert Says Ough

C. D. Ough, vice-president of the Palm Desert corporation, who has just returned from a quick air trip but unsuccessful fishing trip with Ersal Ostler and Gene Roberts to the Mexican Gulf, says that fishing is better on the desert than it is in Mexico these days.

"Two days of continuous fishing netted exactly nothing in the way of a catch. Next time, he says, he is going to try the stream of Tahquitz Falls and expects better results.

A "pre-joining-up" reunion with his mother and brother, Mrs. Emma and Jim Palley of El Alameda, is a big event for Max Palley of Oklahoma this week, for he brought along his bride, Johnita. Max waves goodbye for army service January 29.

## Society

Palm Springs, Fri., Feb. 2, 1951 The Desert Sun—7

### Desert Colorama Attracts Throng to Woman's Club for Annual Fashion Show

Artistic, distinguished and exquisitely beautiful collections of fashions created by New York's couter group of famous designers were on display at the Palm Springs Woman's club on Monday, January 29th, when the J. W. Robinson company, Desmond's and Bullock's joined in a fashion alliance to present their "Desert Colorama" at morning and afternoon performances during a nine-thirty o'clock continental breakfast and a two o'clock fashion tea.

A really superb showing of round-the-clock costumes was staged by beautiful models as they paraded from the wings down the flower decorated center runway to the accompaniment of delightful music furnished by Mr. Frank Ortega. The latest and loveliest in fashion trends from such top names as Howard Greer, Tina Leser, McCordell, Schurmer, Ben Reig and others of equal fame took the spotlight with all three stores seemingly stressing the influence in both playtime and fiesta clothes as well as other styles suitable for desert functions. Particular emphasis was placed on color and texture interest as shown in the new Moya-gashel linens, shantungs, cottons and Honan silks. Much color was seen in matching gloves and shoes.

Miss Winifred Waring, chief stylist for Robinson's was a pleasing commentator as the fashions were presented from all stores. Interesting decorative features were introduced on the stage as each program classification was reached which provided atmosphere and color to the presentation as shown by the beautiful models.

A fitting adjunct to the stunning Desert Colorama was the magnificent exhibit of pictures by the internationally known artist and magazine illustrator, Earl Cordrey, who is a winter resident of Palm Springs. Mr. Cordrey's illustrations are so well known to readers of Cosmopolitan, Redbook, and other important magazines that he needs no further recognition of his art except to say the pictures exhibited were in his usual vivid, colorful and rhythmic style.

Congressman Phillips grand-daughter "Kathy" and little Carol Ann Paul, looking like dolls, distributed lovely favors of cologne to all the ladies present. To Mrs. Arthur J. Coffey, chairman, and her assistants, Mrs. J. E. Trott, Mrs. Dorothy Levin, Mrs. Wayne Wilson, and Mrs. Frank W. Miller, great credit is due for the original and beautiful decorations supplementing the dramatic performances.

A Continental Breakfast was served at the 9:30 o'clock Fashion Show at which Mrs. John W. Williams officiated as chairman assisted by Mrs. N. F. Jones, Mrs. Francis Crocker, Mrs. James H. Blackstone, Jr., Mrs. John Dekker, Mrs. Albert H. Renier, Mrs. Leo H. LaDage, Mrs. George Manington and Mrs. Hilton McCabe. The beautifully appointed Fashion Tea was in charge of

Mrs. Harold Murphy and her able assistants Mrs. Marvin Sales, Mrs. Paul Aust, Mrs. James A. Hume, Mrs. Edwin Fallgren, Mrs. Walter McManus, and Mrs. W. B. Malouf.

Mrs. Robert Ransom was general chairman for the successful show.

### DAR to Stage Benefit Card Party Feb. 8

Residents and visitors alike will welcome the opportunity of spending an afternoon in the lanai lounge of the Villa Royale, which has but recently been opened, for a benefit to be held on Thursday afternoon by the Cahuilla chapter of the D.A.R. Tables for bridge and canasta will fill this most attractive room which is truly Hawaiian with its bamboo curtains and furniture. A very fine collection of prizes have been obtained for each table.

"If you have any white elephants about the house now is the opportune time to help a worthy and patriotic cause by bringing them to the benefit for sale—or come prepared to purchase one which will fit into your own home. Turn left on South P. Spanish of the Highway III to Villa Royale, said Mrs. Harry Brot, regent of Cahuilla chapter, who is taking reservations.

### 40th Wedding Day Observed

Fortieth wedding anniversary was observed today by Mr. and Mrs. W. P. Spanish of Palm Springs and Oakland, parents of Ida Keeney, well known local public stenographer.

Frank Keeney, son of youthful Ida, is a soph at Berkeley, majoring in math. Frank won himself a bronze plaque at Chaffey high in Ontario for school service.

### Mitchell's Artistry to be Shown

What is considered one of the most exclusive private showings in the nation will be witnessed at the Sun and Shadows on Saturday, February 10, when Miss Edith Eddy Ward of Palm Desert presents Arthur Mitchell's collection of society photography, highlighting the great and near great in the social circles both here and abroad.

International notables will witness and be witnessed at the exhibition during the private cocktail party. Among those expected are the Princess Aga Khan, currently visiting the United States; Lady Thelma Furness and her colorful twin sister, Gloria Vanderbilt; Lex Barker and Arlene Dahl; the

Grand Duchess Marie of Russia who is currently in Rio de Janeiro, and planning to attend the event; and many members of the society press who have been invited.

Miss Ward, who is sponsoring the event, has stated that although the event is a private affair on Saturday, the exhibition will remain at Sun and Shadows for public review the following week.

The event will cater to glittering personalities from across the nation at a cocktail party and private salon exhibit on February 10.

### Insanities in Rehearsals

Production numbers of the Insanities went into rehearsal on Sunday night at Frances Stevens School under the direction of Ernest Platt. Returning are such favorites as Dottie Gorham, Betty Tarr, Mary Bozocas, Floy Palmer, Beverly Fretz, Eleanor Rosi, Jean Pignuri, Elinor Linkee, Jean Cloud and Kay Davis, with many newcomers added to the line.

Next Sunday choral numbers for the show will go into rehearsal under the direction of James Wharton. By popular demand the minstrel number will be given again. It will be in the

form of a presentation of the U.S. Senate, called "In Session" and a large number of male voices is needed. Melba Bennett may be contacted at 26371 for appointments.

8—The Desert Sun

Palm Springs, Fri., Feb. 2, 1951

IT'S GOOD—Eagerly tackling a hamburger beside the figure-eight pool at the Shadow Mountain Club in Palm Desert is Pat Rafferty, club member from Long Beach. Looking on in amusement is Mrs. W. E. Deane, while Mrs. Ted Bowman, also of Long Beach, enjoys her refreshments.

## This Week With VILLAGERS

Two Palm Springs nineteeners, Don Mendoza and Raymond Reyes, left for boot camp at Fort Ord yesterday. Ex-high schoolers here, Don and Raymond have lived in the Village most of their lives.

Don is son of Mr. and Mrs. Frank Mendoza of Saturnino road; Ray, son of Mr. and Mrs. Frank Reyes of East Arrenas.

Visiting Mr. and Mrs. J. B. Cella of Overlook road are their daughter and son-in-law, Mr. and Mrs. Berton B. Turner, Son Tony, of Fresno; Mrs. Cella's niece and spouse, the H. T. Sameths, with their Susan, six; Julie, three, of Santa Clara; Mr. Sameth is recovering from auto accident injuries.

Freddie Golden, a big boy of three, had a birthday party in his back yard last Thursday, at the Froman Golden residence on East Sunny Dunes.

Coterie of pre-kindergartners assembled included: Kenny, La Rue, Jimmy Prendergast, Susie Wrathall, Bobbie Morrison, Dallas Levert.

Mrs. T. J. Bluchell gave a bridge-luncheon at her South Riverside drive home last week, for Mrs. Hortense Murray, Mrs. Mahlon Manson, and for Mrs. Virginia Groschan, of Santa Monica.

Mrs. Groschan, daughter of Mrs. Florence McKee, is occupying her mother's home on El Alameda while Mrs. McKee is "tripping" about the east.

New localities from Portland, co-purchasers of Lantana lodge, are Mr. and Mrs. John Yost, their daughter and son-in-law, the

## Surprise Party for Dr. Kane

A surprise birthday party was held for Dr. M. B. Kane Monday night with Mr. and Mrs. George Williams, Cathedral City winter residents, as hosts.

Other guests were Mrs. G. I. Williams from Oregon, Mr. and Mrs. August Cooper from Stevens Point, Wis., Mr. and Mrs. John Kuhn of Idaho, and their daughter, Melba from Los Angeles. All are residing in Cathedral City at the Westview apartments.

## Villager on Tour With Redlands Club

James Erickson of Palm Springs, a freshman member of the Redlands University Men's glee club, is touring with the group in a southwest concert swing.

The club is on a ten-day tour through parts of Arizona, Nevada, Utah, Idaho and Southern California.

## Desert Inn to Celebrate 42nd Birthday

Palm Springs' most important birthday will be observed at The Desert Inn Saturday evening, February 10, when Villagers and guests from all parts of the nation will celebrate the 42nd anniversary of the founding of the world-famous Inn, by appearing in bustles or handkerchief mustaches (as the case may be) at the annual Desert Inn Gay Nineties Costume Ball.

Prospective dinner-dancers are busily searching through old trunks and storerooms for costumes of the Gay Nineties era, and competition for the prizes for the best costumes will be high. Also in keeping with the old-time theme, entertainment is guaranteed to please discriminating patrons of the finer arts. Bob Abbey and his Barbershop Harmonists will provide the music for dancing.

## St. Paul's Guild Meets at Home of Mrs. Camp

January 23 meeting of the Guild of St. Paul's in the desert was held at the home of Mr. and Mrs. Frank Camp on Mission Road with 32 members and guests present.

Plans were formulated for the Shrove Tuesday Tea to be held at The Tennis Club Feb. 6th, always an outstanding social event of the season.

Also under discussion was the annual Rummage Sale to be held at the Parish House March 10th. The doors are open 9 to 12 every week day from now on to receive donations. Any discarded or unwanted articles are valuable to the success of the sale. If not convenient to deliver them, Curtis Smith, 6611, will give prompt pick-up service.

After the meeting a social hour was enjoyed with a lovely tea served by the hostess, assisted by Mrs. Dean Vincent. A special meeting will be held on Friday, Feb. 2nd at 2:30 at the home of Mrs. Kenneth Kirk, 335 Camino del Norte.

## Desert Inn Guests Enjoy Playhouse

Laughing at the antics of "Charley's Aunt" at the Playhouse Friday evening were Desert Inn guests Mrs. Joseph A. O'Connor, Miss Claire O'Connor, and Miss Pat Hyland of Los Angeles; Charles A. McKean of Los Angeles; and Dwight Partidge of New York City, who were escorted to the hilarious comedy by the Inn's social director Helen Williams.

MR. AND MRS.—Mr. and Mrs. James Searls cut the wedding cake after their marriage last week at St. Paul's in the Desert Episcopal church. She is the former Barbara Croft. Both are from Rancho Mirage.

## Annual Recital of Play School Slated Tonight

Palm Springs Play School in conjunction with North Canyon Dance Studio will present its annual mid-winter recital tonight at the Women's Club. The public is invited to enjoy this program which will consist of songs by the kindergarten class, piano numbers and beautifully costumed dance numbers by the pupils of Constance McCormick and Virginia Moe. Theme used by the dance studio will be "Oriental Fantasy."

An added feature will be a showing of original models of children's clothes by the Little Folks Cottage.

## Combine Skiing and Desert Sunshine

Combining a ski and sun-week at the Racquet Club have been member of Los Angeles society's

younger set: Kathy Ryan, Chuck Shattuck, Bobsie and Kenny Sharpe and Laura and Stan Doughty. Other vacationers from the coast were Alec Buckman, Art Drummit, Winslow Maxwell, Bob and Penny Lewis, Mary Lou Fiske, Bob Maison, Julie and John Ferrare and honeymoon couple, Howard and Virginia Lang. Mrs. H. C. Nelms, Houston, Texas, and Mrs. Richard Gill of San Antonio were weekend guests of Charles and Virginia Farrell.

## Long-term Investment that pays daily dividends

THESE days thoughtful people turn their minds to the durability of things they purchase.

But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire.

That's what's so marvelous about this '51 Buick.

If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice.

But make note of this:

That gleaming new push-bar forefront, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection.

Springs of stout spiraled steel on all four wheels let your wheels curtsy over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown.

Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection

that comes only from years of experience with this basic design.

Dynaflow Drive gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential.

The road-steady gait of a Buick assures relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy.

Better see your Buick dealer—soon.

Standard equipment, accessories and trim illustrated are subject to change without notice.

## No other car provides all this:

## Ceremonies Open Rancho Mirage P. O.

Sydney Greenleaf  
Sworn in as New  
Desert Postmaster

J. S. Smith, San Bernardino post office inspector, swore in Postmaster Sydney Greenleaf at 8 a.m. yesterday and Rancho Mirage's new post office opened its doors to the public, ready for its first day's business.

The fourth class federal agency is in a \$3000 wing of the Rancho Mirage Tract office and was completed by California Building and Supply Co. in November. The new office will furnish all regular post office services, keep full time hours and is ready to rent 300 boxes.

**OWNERS** of the building are A. Ronald Button and Dave F. Culver, developers of the Rancho Mirage tract.

Mrs. Estella Ewart, tract manager, was a pioneer in the drive to establish a post office at Rancho Mirage. It was she, with several neighbors, who first circulated petitions demanding that a federal agency be built.

**WORD** THAT the area was to have a post office came in August when Smith inspected the site and placed his stamp of approval on the project.

Before the advent of the post office Rancho Mirage mail was being routed through Indio and distributed to RFD residents in the area.

## THOUSAND PALMS

By MARGARET P. SINGLER

Bobby Kadera, son of Chris and Edward Kadera, formerly of Shangri La, now of Palm Springs, left on the first part of his journey to Camp Pendleton on January 22.

Oliver J. Peacock, formerly of Thousand Palms, now established in the restaurant business at Beaumont, visited with friends here over the weekend.

Paul Miller, better known as "Shorty," is on the sick list. His many friends miss his cheery voice and manner.

E. M. Deering of Palm Springs, guest teacher at the Sunday school at the Community Church of Thousand Palms on Sunday, January 28, took as his subject "Christ, the King," which lesson he presented most interestingly to his appreciative class. Mr. Ray R. Perry of San Bernardino, superintendent of the Union Sunday school of this section, will be at the Community church next Monday, Tuesday and Wednesday, for Bible study classes.

The Chester Morrisons and Merle Zelders spent Sunday with the S. M. Morrisons of Shangri La.

Mrs. William Mims is happily looking forward to the six weeks her mother, Mrs. Thomas Werner of Napoleon, Ohio, will spend with her on Land and Air Motel.

Thousand Palms welcomes the return of Tim Tobin and his young son.

Ruby Graves, Pearl's sister, was with the Hesses at Shangri La for a few days last week.

Guests over the weekend at Charles Doyle's delightful home at Hidden Springs were Mr. and Mrs. Ross DeVinney, and Mrs. Betty Grylls of Pasadena.

Mrs. Harriet Bloomingdale and Miss Almarine Adams have returned from Laguna Beach to their hidden, Springs Ranch home.

Scotts Bluff, Nebraska, yields to the desert — Hidden Springs Ranch in particular, where the Leslie Murphys are spending the season.

Mr. and Mrs. Byron Swearingen have just returned to Hidden Springs from a trip to Arizona.

Things are humming at Hidden Springs Ranch where the enchanting club house, swimming

## NEWS OF THE DESERT EMPIRE

### DESERT HOT SPRINGS

By THERESE WHITESIDE

Liza Alexander displayed her special brand of Southern hospitality at Wednesday's social tea. After warmly welcoming her fifty-three guests, she launched into a humorous mammy sketch, at their insistence, and soon had every one laughing. After a community sing accompanied by Lenora Watkins, wonderful refreshments were served. Pouring the tea and coffee were Flora Guthrie and Jean Shannon, whose paper, the "Sentinel," was sponsoring the affair. Mrs. C. S. Tipton presided at the register and Mabel Cozad won the door prize.

After the refreshments were served, the chic, vivacious Italian-born Mary Neville favored us with an entertaining and very enlightening impromptu talk on the Argentine Republic. Mary is the wife of Robert Neville, well known "Time" and "Life" correspondent.

The Friendship Club had a good attendance on Tuesday evening and Lulu Baughman's tempting refreshments were very much enjoyed. Sophie Sturtevant read two of Edgar Guest's poems, after which she accompanied the community sing conducted by John Mattern. Rose Boyer, of Los Angeles, sang some solos, after which various card games and Chinese checkers were played until a late hour.

When newcomers to Desert Hot Springs were introduced, we discovered that there were eight people from Washington State, namely: Mr. and Mrs. R. V. Bailey, of Naches, Mr. and Mrs. T. L. Irwin, of Yakima, and Mr. and Mrs. L. A. Horgan and Mr. and Mrs. W. E. Van Tine of

Bremerton, Washington.

Next door to the Post Office there is a very interesting window display of agates and garnets, placed there by the Rock Section of the Friendship Club.

The beautiful agates and garnets belong to Mr. and Mrs. R. J. Lockwood. Mr. and Mrs. D. M. St. John, Mr. and Mrs. Cliff Hudspeth, Mrs. Paul Lockwood, leader of the group, and Maurice Wright, the garnets were loaned by Mrs. Ethel Carlson, Mrs. John Mattern, and Mrs. Paul Lockwood.

Over across the street, where Ret Lamoureux had her Village Store, the Desert Hot Springs Chamber of Commerce is moving in. This more central location should be a great convenience to friend and stranger alike, since it is just "kitty-corner" to the Post Office. The townspeople congregate twice a day. Thanks to A. A. Burrow and Sam Davis, we have benches to rest on while we wait for the mail to be sorted.

Since we are very proud of our fine volunteer fire department, the grateful townspeople are marking the date of Saturday, March 17, on their calendars with a big red circle, so that they won't forget the annual Firemen's Ball.

Mr. and Mrs. Jesse E. Jacobson, of Elmhurst, Illinois, are spending six weeks with Mabel Walker at her Desert View Motel. Jacobson, who is Mabel's brother, is a Commissioner with the Federal Commission and Mediation Board.

Mrs. E. E. Van Arsdale and her daughter, Kathleen, spent a few days at the Desert Hot Springs Inn. Kathy is a student in the music department at Occidental College and has been singing over the radio Pasadena.

### Cabazon Plans Beautification

Villagers driving to Los Angeles are going to be treated to an eyeeful at Cabazon under plans now formulated by the chamber of commerce of that community.

Wildflower seeds have been sown in the center strip dividing the four-lane highway. Last weekend's rains didn't hurt the project.

### Jury Finds Pair Guilty in Desert Nuisance Trial

General Michael Alexandrov and Countess Sedarte, charged with maintaining a public nuisance at Thousand Palms because of their many Russian wolfhounds, were found guilty in a jury trial in Indio township court last week and were sentenced to 90 days. Sentences in both cases were then suspended by Judge Leroy Pauley who presided.

The courtroom was crowded for the trial which had many dramatic moments as the general recited his experiences in Russian fighting the Bolsheviks despite attempts of prosecuting attorney, defense attorney and the judge to keep the recital confined to the charges.

On exhibit in the case was a coffin in which reposed one of the dead hounds while nine others were outside in the pound-masters wagon.

The impounded dogs were returned to the general after the trial after \$250 bond had been given by Defense Attorney W. M. Taylor of Coachella for the food they had consumed while in the pound. The latter institution, by the way, suffered considerably during the stay of the dogs, the poundmaster said.

The public nuisance charges followed departure of the general and Countess from their home in Thousand Palms and residence on the open desert. Neighbors said the dogs were vicious.

### Pioneertown Sold to L.A. Interests

Murphy Motors and Fletcher Jones, Los Angeles automobile dealer, are the new owners of Pioneertown, a motion picture set come to life the year round.

## Desert Art Center Opens New Exhibit Tomorrow

Next membership party of the Desert Art Center at Cathedral City will be held tomorrow, residents of the local area were reminded today.

At this time the painting "Smoke Tree in Bloom" by Agnes Pelton which has been on exhibit for the last eight months, and was the first gift to the Center, will find its lucky owner.

The exhibit of the Painters and Sculptors club of Los Angeles will then be officially opened for its February showing. William P. Krehm, board member of the Art Center, a prominent southwest painter and member of the Los Angeles group, will hang the show. He has been on numerous art juries and is considered to be an authority on the hanging of paintings, which is an art in itself. Only members are invited to attend the party but each member may bring one guest.

Agnes Pelton, Axel Linus, Wilton McCoy, Balhazier, Kunderi and Jim Wolseth met last week at the Playhouse to select and hang the Art Center exhibit which will be changed from time to time during the ten weeks of the theater. The hanging was completed on Tuesday afternoon by Axel Linus, Kunderi and McCoy whose efforts were rewarded by loud praise from the appreciative patrons on the opening night.

Riverside Date Festival will see a new kind of art exhibit this year when the artists themselves open their Art Mart in the new industrial-commercial exhibits bazaar, the first booth on the right. Ten artists, the Art Center and the Cathedral City Chamber of Commerce have participated in paying the rental for the space and volunteer workers will man the booth during the seven days. Paintings which will sell for less than \$75 will be featured.

Sculptor Paulo-Kangas is holding regular classes at his studio 524 3rd Street, Cathedral on Tuesday evenings and Thursday afternoons. Anyone can learn to model, he says, if they learn the basic forms.

A class in drawing and painting will be given in Palm Springs

at the dance studio of Trixie Jarrette, 670 Calle Palo Fierro and Sunny Dunes road. Axel Linus, well known Swedish American painter owner of the Casa del Camino has agreed to give the course for beginners and advanced students. The Desert Art Center attended for this class with the Palm Springs High school and it will begin as soon as there are twelve registrations which should be made at the high school or the Art Center. Registration fee \$6 and \$3 charged by the Art Center to allay expenses connected with the studio.

### Sheriff's Squad for La Quinta

Organization of a unit of the Sheriff's Emergency Auxiliary for La Quinta and other desert communities will take place at 8 o'clock tonight, at the Hunt Ranch here.

The Auxiliary is a division of the Civilian Defense Program. All Riverside county residents living in the unincorporated area west and south of Indio, as residents of Thousand Palms, Indian Wells and La Quinta, have been urged to attend the session.

Mrs. Murray C. Becker has come back to La Quinta for the winter. Accompanying her are her daughter and son in law and children, Sam and Lois Lawrence, and grandchildren Barbara and Ruth. Mr. Becker will arrive within the next few days.

Mrs. Walter Kirschner was ma-

## LA QUINTA

By FRANCES HACK

Society from coast to coast attended the opening of "The Four of Us" Hollywood's favorite foursome at the Mirage Room of the fashionable Hotel La Quinta. The room was packed from wall to wall and read like "Who's Who." It really was a gala night. Popular Mr. and Mrs. William Malouf celebrating their twenty-first wedding anniversary hosted a table for Mr. and Mrs. Jerry Barracough of Los Angeles, Mr. and Mrs. Daniel Dunlay from Long Beach — internationally known industrialist, Mr. Raymond Lowey and his lovely wife — recently returned from Paris — hosted a table for Mr. and Mrs. Albert D. Lasker of New York and Dr. and Mrs. Alfred Frankfurter of New York.

Grayson Farms, La Quinta, was the setting for the beautiful wedding of Mr. Walter Kirschner's niece, Miss Ann Frances Harrison, daughter of Mr. and Mrs. L. Alan Harrison of Scarsdale, New York to Mr. Raphael Bernard Pokins, son of Mr. and Mrs. Albert H. Pokins of St. Louis, Missouri. The ceremony was performed by Rev. Dr. Edgar F. Magnin of Los Angeles. A reception and luncheon was held at the ranch. Escorted by her father, the bride wore a gown of champagne organza made with a fitted bodice and bouffant skirt trimmed with self-appliqued flowers and pearls, also a matching headpiece and illusion veil. She carried a bouquet of white orchids and stephanotis on an old family Bible. Miss Diane Harris was ring bearer. Mrs. Walter Kirschner was ma-

tron of honor and Walter Kirschner was best man.

Miss Harrison is a graduate of the Scarsdale schools, Endicott Junior College, Endicott, Mass., and is also a graduate of the New York School of Interior Decoration.

The bridegroom is a graduate of St. Louis School of Pharmacy. He also attended the University of Missouri at Columbia and the Washington University of St. Louis. He served for five years in World War II, receiving the bronze star with oak leaf cluster and the combat medic award.

After an extended honeymoon in California, the couple will make their home in Bronxville, N.Y.

Philip Gerton, former executive of Saks Fifth Avenue, New York City has moved into his La Quinta home for the winter. Mr. Gerton plans on taking a freighter for Tahiti some time in May or June for a four month's stay.

the Railroads

the Labor Unions

seek to

RESPECT...  
REPUDIATE this agreement!

What is the TRUTH?

At various states in the present dispute with the brotherhoods of railroad operating employees... the railroads agreed to arbitrate. The union leaders refused. ... the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. ... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below:

### MEMORANDUM OF AGREEMENT

Washington, D. C.  
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day shall receive overtime rates for the 7th day. This does not create straight time rates for the 7th day. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules:  
Initial Terminal Delay (Conductors and Trainmen)  
Interdivisional Runs  
Pooling Caboose (Conductors and Trainmen)  
Reporting for Duty  
More than One Class of Service  
Switching Limits  
Air Hose (Conductors and Trainmen)  
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all wage Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951; overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay; rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators; miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

\*\* The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

## Indians Sink Deeper Into League Cellar

Hemet Hands Village Cagers Third Defeat in County Loop Play

Palm Springs sank deeper into the RCL loop cellar Friday night as Hemet gained undisputed first place in the loop defeating the Indians, 49 to 38, on the Bulldog court.

But a gent by the name of Charley Black almost spoiled the Bulldogs' dream. The speedy sharpshooter, displayed the accuracy of his eagle eye at its best as he paced his Braves to a 20-12 advantage at the end of the first quarter.

PALM SPRINGS jumped to a quick 6-0 lead as a capacity Hemet crowd looked on in disbelief. But moments later they settled back again as Darrell Henninger, Hugh Towle and Bob Raymond loomed in field goals to tie the score.

Then Black went on his scoring spree. He scored repeatedly from 20 and 25 feet out and it looked like curtains for the Bulldogs.

But when the buzzer sounded to end the first period that was it as far as the Indians were concerned. The game did a turn-about and the resort boys suddenly became as cold as they were hot.

AND JUST TO ADD to their embarrassment the Bulldogs began to find their shooting eyes.

Palm Springs managed to make a battle of it through the rest of the third quarter, trailing 33-30 at the three-quarter mark, but when the fourth canto rolled around, Hemet poured on the steam and it was all over.

Hemet's Bullpups also gave their visitors from Palm Springs a lesson in basketball with an easy 44-17 victory.

## Papooes Meet Grief in Tourney

The little Indians didn't do so well in the C and D tourney staged at Coachella last week. They only won one out of four. The Indians won the first of their two games with Yvinski's 11 points led them to victory over Banning, 26 to 15. In the D finals the Redskins were bopped by Beaumont, 31 to 16. Palm Springs Cs had no luck. Coachella rolled over the Redskins, 40 to 12 in the preliminaries and in the consolation finals there was no consolation for the Braves as Beaumont edged the locals, 23 to 20. In winning the C finals, Coachella held Banning scoreless in the entire first half to earn a 25-8 victory. Van Gundy led the scoring parade for both squads, sinking 12.

## County Fish-Game Board Considered

Consideration of an ordinance creating a County Fish and Game commission was postponed for a week when supervisors Monday referred the ordinance to County Counsel William O. Mackey for further study.

Patterned after a similar commission in San Diego county, the commission would administer funds collected from fines for violation of fish and game laws. Five members, to be appointed by the board, will be chosen from each supervisorial district.

## TENNIS

The Shadow Mountain Club in Palm Desert for reservations.

ANYBODY who retains a lingering doubt about competitive tennis in this country has to look at the Bobby Riggs-promoted professional tennis tour, need only ask the simple question: What has happened to Pancho Gonzales?

The answer, of course, is that Gonzales is—at least temporarily—out of the picture, blasted to the sidelines by the educated ferocity of Jack Kramer's racket. Beaten by Kramer, the greatest tennis player alive today, in 93 of the 121 matches the two champions played last season, Gonzales will have to fight his way back to a level from which he can launch another challenge to the man who gave him such a profound lesson last winter.

SKEPTICS LIKE to say that the colorful cross-country tour which Riggs promotes is "just a series of exhibition matches." Nothing could be further from the truth. The facts are that professional tennis in this country has grown to the point where the top players can make huge sums of money campaigning on these winter tours. But there is room only for the top players. Therefore, when a new tour starts out on the annual grind, the rival stars know that defeat means out. The winner survives, and gets another crack at the big money the following year. The loser has to settle for some other way to pick up spending money.

Francisco (Pancho) Segura, the bounding bunter from Ecuador, earned his shot at Jack Kramer on Bobby Riggs' new professional tennis tour by playing three sensational matches in a row at the conclusion of the national singles championship tournament at the Cleveland Skating Club last June.

A "preliminary boy" on the Kramer-Gonzales tour last year, Segura had handed Frankie Parker an unmerciful shellacking from coast to coast. But he wasn't considered seriously as an opponent for the big guy, Kramer, until he suddenly got hot at the pro tournament.

PLAYING on clay, a surface admittedly favorable to his slower and more scientific type of game, Segura breezed through the early rounds of the tournament. His crushing 6-2, 6-2, 6-2 triumph over Welby Van Horn, a player of major stature, in the quarter-final round, demonstrated that he was going to be hard to brush aside. Then, in the semi-finals, he took on the master, Kramer.

More than any other member of the cast of Bobby Riggs' new professional tennis tour, strawberry blonde Pauline Betz is prospecting for her first big stake since forsaking the amateurs.

Pauline joined the play-for-pay ranks in April, 1947. She has done a lot of playing since then, but has been on the receiving end of very little paying. Even as the lowest paid of the four tennis tourists who make up the newest Riggs package, she figures to earn at least \$12,000 for approximately six months work this winter. It will be far and away her biggest haul as a professional.

NONE OF THE other headlines on the tour can match Pauline's

BROWBEATEN — Seeking revenge at Sunday afternoon's professional tennis matches at Shadow Mountain club will be Gussie Moran and Pancho Segura. Each of these two have lost most of their matches to their respective opponents, Pauline Betz and Jack Kramer.

collection of national championships. She won the women's singles title at Forest Hills four times . . . In 1942, 1943, 1944, and 1946. Kramer, the male headliner, and Riggs, the promoter, each won the national championship twice. The scrappy, agile Betz—in real life she is Mrs. Robert Adkins—ranks with the greatest women champions of all time. Even Alice Marble, generally regarded as the best female player since Helen Wills, has nothing on Pauline when it comes to national titles. Alice won exactly the same number—four.

Georgeous Gussie Moran, the magnetic star of promoter Bobby Riggs' 1950 professional tennis tour, never won the national women's singles championship on grass at Forest Hills. Her opponent on the Riggs extravaganza, Pauline Betz, won the title no fewer than four times.

At first glance, you might assume that Gussie is being over-matched, even if she does have a year or two of youth going for her against the agile, aggressive Betz. But that first glance would be deceptive. Gussie, winner of the national women's hard court singles title in 1948 and the national women's indoor singles crown in '49, is vastly more at home on the harder surfaces

## Perris Opposes Palm Springs in RCL Game Here

Palm Springs Indian cagers will be after their first RCL win tonight as they test the once-beaten Perris Panthers on the local hardwood.

On the basis of past performance the dopesters are giving the edge to the mountain men from west of San Jacinto peak.

One man the Redskins will have to stop to come up with an upset is big Don Weischedel, high scoring Panther center. The tall one leads the league in scoring after three games with 53 points. At that he's 12 points behind where he was at the same time last year. Coach Dick Adair's "bread and butter" plunked only 10 points last week in the Beaumont game. At this stage last year, Weischedel had swung into an 11 point lead over Paul Womack with 65 counts.

Palm Springs' Forward Charley Black is right behind Big Don in the scoring parade, however, and has a chance to overhaul the leader in tonight's game. Black has 50 points in three contests.

## James Wins as CV Marksmen Blast Targets

The Coachella Valley Pistol and Rifle club met on the Palm Springs range Sunday in a match for the Palm Springs Builders Supply perpetual trophy. Both James and Carlson edged a 400 possible but James fired his opponent with a 28x2 while Carlson turned in a 25x2.

Forty shots were fired on the 50-yard course. This marked the first time any contestant has won by shooting a possible on the tricky range. Sunday was no exception to the difficult conditions usually encountered but James and Carlson had every change doped perfectly, according to observers.

George Thompson took third place with 399 and most of the others were close behind.

## Costly Teen-Age Battery Coming Here With Sox

What is perhaps the most expensive teen-age battery in baseball will train here at the Chicago White Sox session Feb. 14 through 28.

Floyd Penfold, 18 year old South Gate high pitcher, signed a three-year contract with the Sox for a reported \$40,000 this week. The Pale Hose recently corralled J. W. Porter, 17 year old Oakland catcher, for upwards of \$55,000.

Penfold, who was graduated last Friday, won 10 and lost one (in the finals tournament) for South Gate last year. He fanned 114 batters in 76 innings and achieved an earned run average of 1.54. He had delivered several no-hitters.

Approximately 50 team members, trainers, coaches, sports writers and stockholders will be here for the two-week battery-men training session. With them will be Paul Richards, Sox manager who was here with Seattle last spring.

## More Practice Games Slated

Coach Clare Ballagh announced this week that the Palm Springs high cagers' spotty practice schedule has been bolstered somewhat with the scheduling of three more practice games. The three all to be home contests and all Tuesday night affairs, were begun Tuesday night when Beaumont visited Palm

## Desert Queens Uphold Honor of Village Softball

The honor of the Coachella Valley was defended successfully Sunday afternoon at the Polo Grounds as the Desert Queens softball team defeated the Hollywood Movie Stars, 9 to 7. A percentage of the proceeds from the afternoon event went to the March of Dimes.

About 250 people watched the hard-working championship girls nine come from behind to trip the Movie Stars. A triple by Lois Jerry in the seventh contributed to the distaff win. Heavy hitter for the Stars was Catcher Billy Cartlige who homered in the fifth.

The real cause of the Stars downfall was pitcher Whitey Hughes, western star, who relieved starter Hamp Wells in the fifth and proceeded to walk no less than seven, count 'em, girls. Most of the movie stars showed up as advertised. Among them were Donald O'Connor, Frankie Darro, Jackie Coogan and Billy Barty. Patricia Lynn watched from the stands.

Springs gym for a set-to. Next Tuesday Twenty-nine Palms high will be here and Feb. 13 powerful Riverside Poly will travel to the desert.

Games will be at the usual time, 7 and 8:30 p.m.

Gordon A. Pequegnat, county clerk, was a Palm Springs visitor Tuesday calling on old friends here in the company of William Gelb.

## Santa Anita Stages Richest Race--Maturity--Tomorrow

Although Hill Prince, horse of the year, is out of it due to injuries received in training one of the finest fields will go to the post tomorrow at Santa Anita for the fourth running of the Maturity.

The gross value of the classic figures to be in the neighborhood of \$200,000. Greatest throng of the 50-day winter season, more than 55,000 is expected to see the Maturity.

Designed exclusively for 4-year-olds at the classic distance of a mile and one quarter, the Maturity will draw one of the most brilliant fields in training.

In the Maturity are such performers as Thomas G. Benson's Lotowhite, Clifford Moores' Sudan, Mr. and Mrs. Clement L. Hirsch's Blue Reading, King Ranch's Beau Max, Yolo Stable's Great Circle, Louis Rowan's Akimbo and La Jolla Farm's Grandfather.

Also expected to be supplementary nominations, along with Hill Prince, are two of the greatest 4-year-old fillies ever to run in the Far West—Alfred Gwynne Vanderbilt's amazing duo of Next Move and Bed O'Roses.

# SUNSPORTS IDELIGHTS

By GUS STEVENS

Palm prings high school cagers will be knocking on the door of the RCL cellar (from the inside) again tonight, pleading earnestly for a spot on the other side, leaving San Jacinto the clammy place all by their lonesome.

Perris will provide the opposition as the Indians appear at home for the second of three home town league shows this season.

The contest will probably shape up as a scoring duel between Charley Black and Perris' Don Weischel. The giant Panther leads all league scorers with 53 points in three games. Charley is right behind with 50. Close as this league has been to date, I don't believe I'm going too far out on that limb in predicting a close win for the Redskins.

**THIS WEEKEND** will separate the easterners from the westerners in Palm Springs.

The real ranch hands (cow-pokes, waddies, wranglers, bulldoggers, et al) will stay in the Village for the 11th Annual Winter Rodeo at the Polo Grounds. It should be a real rip-roarer with two days of everything from clowning to the deadly serious business of bull riding on display for rodeo goers.

East-of-the-Mississippians will turn their eyes, and wallets, toward Palm Desert to watch the Bobby Riggs tennis troupe perform at Shadow Mountain Club. Four top-fighters, Jack Kramer, Pancho Segura, Pauline Betz and Gussie Moran, will knock themselves out for a \$3,600 and up audience.

**THE AMERICAN** pastime will soon be king again in the Palm Springs area. The middle of next month will see baseball opening on the local scene with a roar.

Feb. 14 the White Sox of Chi will drop around with their batterymen for a two-week stay. About 30 players plus a train of 20 coaches, trainers and writers who will come along to watch things, will be here.

On the 28th the Rainiers will begin spring training here. Seattle had scheduled ten home games at the Polo Grounds.

**GUS GRAB BAG**—City council and city recreation department have been toying with the idea of constructing box seats on the Polo Grounds ball diamond. Matter of fact they've constructed a trial box behind home plate. They're not sure yet whether they'll pay for themselves. . . . Latest tennis wheels to sign for the 14th annual Palm Springs tournament Feb. 8-11 are Ted Schroder, Nancy Chaffee and Herb Flamm.

Keith Sanders, Palm Springs High B sharpshooter, may join the varsity for the Perris encounter tonight. . . . The word's out that Loyola university may be after Indian Charley Black, most valuable RCL footballer last year. Lion Coach Jordan Oliver was in town a few weeks ago on other business. . . . It was swell to see California and Arizona drop the Long Island U. cagers from the unbeaten ranks on their recent tour of the far west. Helps make up for Cal's and USC's poor showings in New York's Garden last year. . . . It's official. . . no fool. . . a 100 head of cattle are really going to be driven down Palm Canyon drive tomorrow morning to open the rodeo. Heaven help the waste disposal department.

## First Brolo Game Slated This Sunday

Lisle M. Nixon, proprietor of the Shadow Mountain Club Stables, announced an exciting new addition to the sports events emanating from his attractive stables. Starting this Sunday, January 28, at one o'clock, begins the first of a weekly Brolo matches on the Shadow Mountain Sports Arena immediately in front of the stables.

Nixon says Brolo is really improvised from polo except that the game is played with brooms and a large rubber beachball instead of standard polo equipment. It is an exciting game, according to Nixon, and anyone, male or female, can learn to play the game quite easily without danger of injury.

The Shadow Mountain Club Stables have challenged the White Sun Guest Ranch and the Palm Springs Mounted Posse for their first games. The public is invited to attend.

A guest of Mrs. Polly Wilson's of Pasadena this week at her Sun Lodge was Mrs. Lenore VomCleave was Mrs. Wilson's guest at dinner, Saturday, and for the Sunday buffet.

## Indian Cagers Roll Over Beaumont High Here, 49-39

Palm Springs varsity and B basketballers won a practice game Tuesday night at the Indian gymnasium from a future RCL opponent, Beaumont high. The Redskins rolled over the Cougars, 49 to 39 with Wilfred Lucas leading the attack with 18 points.

The Desert Sun—11  
Palm Springs, Fri., Feb. 2, 1951

## Indio Trims JC in Rough Game, 45-34

Early Local Lead  
Wiped Out as Victors  
Get Hot in Final

Monday night city league basketball fans were treated to the roughest cage contest in recent weeks at the high school gym as a hot and cold Indio five edged a hot Junior Chamber of Commerce quintet. The Date city team won, 45 to 34, after trailing throughout the first three quarters of the terrific contest.

Indio was ice cold through the early stages of the battle while the JCs, led by the sharpshooting of Don Miller, pulled to a 22-16 halftime lead. Indio managed to tie it up, 29-29, at the third period ended and finally the usually high-powered Date city scorers caught fire and surged to an 11-point margin of victory.

**MURPHY LED** all scorers with 19 points and his mate, Indio's Paul Rundell tallied 17. Miller rang up 17 for the JCs, his top scoring effort of the campaign. The usual high-scorer, Bill McDaniels, was held to one basket by the close guarding of the JCs' Ted McKinney.

Last Wednesday night Indio defeated an easier club, Agua Caliente Indians, 66 to 31. McDaniels raced for 19 points for Indio and Art Gerado sank 10 for the reservation raiders.

**THE FOLLOWING NIGHT**, Thursday, the Royal Aces topped the JC, 40 to 31, in a contest which saw the scoring evenly spread throughout the ranks of both squads.

In the 7 o'clock contest Monday night Royal Aces topped Village Market, 43 to 32. After the Aces got off to a 7-0 lead, the Market's roared to a 16-10 advantage at the half. In the second stanza the Aces poured on the coal to win.

Village Market's Bob Siepel scored the first nine points for his club and was high for the contest with 15. F. K. Jesse dumped 11 for the opposition.

## Hemet in Sole Possession of RCL Top Spot

Hemet's win over Palm Springs high in Friday night's cage wars enabled the Bulldogs to assume undisputed control of first place in the Riverside County League as standings were shaken up in other Friday games.

Elsinore high pulled the upset of the evening as their shooting eyes sent previously unbeaten Coachella down to defeat on the Date city hardwood.

Over in Perris defending champion Beaumont took it on the chin for the second time in three starts. Perris high matched the Cougars' fast-breaking offense with speed of its own to further disrobe the ex-champs, 51 to 40.

San Jacinto extended its visit to the cellar with Palm Springs as the Tigers were bopped, 42 to 37 by Banning. Bill DaVee, who was instrumental in sinking Palm Springs two weeks ago, was the big gun for the Pass city five once again as he sank 13.

**Arabian Horse Show in March at Polo Grounds**

The Arabian Horse Breeders association of Southern California will present a horse show at the Polo Grounds Saturday and Sunday, March 24 and 25. City Manager Russell Rink announced this week.

Rink said that the association had already signed a contract with the city for the use of the grounds. If the show is a success the association plans to make it an annual event, Rink said.

The Bs also won, beating the Beaumont subs, 33 to 32.

## Heads of Village Scout Work Win County Honors

Two desert district Boy Scout workers were named new members of the Boy Scouts of America County council; two others awarded Scoutmaster keys for achievement, at Tuesday night's Riverside county annual Scout Council meeting in Hemet Tuesday.

Installation of officers recalled Villagers Carl Lykken to vice-presidency of the council, Herman Reich to the county board as district chairman for this area.

HARRY HILL and Joseph Kenya are new members of the Riverside County council board. W. C. Stevenson and Douglas Doyle received Scoutmaster keys for scout guidance achievements. Hill and Doyle are Villagers; Stevenson and Kenya, Desert Hot Springs scouts.

More than 300 scout-minded adults attended the annual county dinner gathering at the Hemet Pavilion, addressed by Boy Scouts of America's Vice-President K. K. Bechtel of San Francisco on "Strength in Liberty." Bechtel flew south in his own plane, was forced to land

at Burbank, arrived at last minute by auto-transport.

**LOCAL ATTENDERS** also included Lloyd Simon, county board member; Dr. A. G. Hoff, Palm Springs schools superintendent; Ed Desing, scout worker for 38 years; and Herbert Eckleson of Desert Hot Springs. Harry Wells of Riverside presided as president of the scouts' county council.

## First Baptisms at Palm Desert

First baptisms in the new Palm Desert Community church took place last Sunday when little Pamela Verne Peck, aged four, daughter of Mr. and Mrs. Vernon P. Peck, Jr., was christened. Sponsors were George Pike and Mrs. Myrtle Zint. Also christened was Valerie Lee Zint, five, daughter of Mr. and Mrs. Karl E. Zint. Godparents were Mr. and Mrs. Peck.

Dr. J. R. Macartney, pastor, reported continuous progress on construction of the new church building. He announced that a business meeting of the congregation would be held after the 11 a.m. service next Sunday when reports will be heard and officers of the various departments elected.

and 11 a.m.

## Loyalty Sunday for Community Church Members

Community church will observe Loyalty Sunday next Sunday with special services. Dr. James H. Blackstone, minister, announced yesterday.

"Community church, whose history dates back to the early beginnings of Palm Springs and whose life has been interwoven with the life of the community through the years of development and growth, is a church that has ministered to Christians of most Protestant denominations. Although affiliated with the Presbyterian church, the denominational program has not been stressed and today the membership and the Sunday congregation include people of over twenty denominations who are bound together by a common faith in Jesus Christ, God's Son and our Savior," Dr. Blackstone said.

Several new members will be welcomed into the church at the communion service this Sunday. Also, at the service the members and friends of the church will be given an opportunity to make their contribution or pledge to the support of the church and its missionary program for the year 1951.

At the 11 a.m. service Dr. Blackstone will preach on the subject: "My Responsibility to Christ and His Church." At the evening service he will talk on "When God Is Near." This service commences at 7:30 with music.

At the Midweek Service on Wednesday night at 7:30 there will be special recognition for the new members of the church and light refreshments following the service.

## Scouts Camp Out on Salton Beach

Local Boy Scouts of America troop 56 motored to Salton Sea last weekend for an overnight camping venture. While at the sea, the scouts were guests of Red Caldwell, Salton commercial fisherman.

Saturday night the scouts were treated to a mullet dinner by Caldwell and spent the night camping on his beach property. Sunday Caldwell conducted the youthful adventurers on a tour of Hot Mineral Cal hot springs, east of Salton Sea. Troop 56 collected many geological and plant items on its trip.

Scoutmaster Theron Thompson and committeemen Evan Jones, Dick Blackstone, Dick Casey, Marion Weeks, Kenneth Johnson and Donn Alexander accompanied the troop.

## Two New Arrivals for Local Families

Sunday was a big day for two village families as each was increased by one with the aid of Community hospital doctors. First arrival was Robert A. Barr, Jr., at 9:40 p.m. The six pound eight ounce son belongs to Mr. and Mrs. Robert A. Gearhart of Palm Springs Trailer Village.

Later in the day Mark W. Gearhart arrived. Little Mark is the son of Mr. and Mrs. Karl Gearhart, 813A 14th street, Santa Monica. He weighed six pounds, nine ounces.

All six are doing well. Troop leaders take notice! Mrs. Doyle is forming an active five person committee which will help her form monthly plans in advance for her troop. This type of committee for each program interesting and active, and easy to carry out.

## Dr. Colburn Resigns From Museum Board

Dr. William B. Colburn, for the past four years a member of the board of directors, last week resigned from the board because of out-of-town residence. Dr. Colburn, a past president of the board, has been of great help to the Museum in many ways over the last few years.

He will continue to serve, however, as a member of the advisory board.

## Girl Scouts

By DEEDEE BENNETT  
Mrs. Madelyn Miller's Intermediate Troop No. 2 entertained the Brownie Troop No. 13 last week, showing the Brownies how to serve refreshments correctly.

Senior Troop No. 3, Mrs. Moya Henderson, leader, and Intermediate Troop No. 14, Mrs. Norma Smith, leader, met together and started learning safety rules in preparation for their aviation badges. They are making plans for a trip to the beach at Newport in the near future, as guests of the Girl Scouts there.

The Brownie Troop No. 13 learned how to use textile paints at their last meeting, and this week will use the paint in printing their emblem on hankies.

Mrs. Doyle's senior Troop No. 9 had a fun and educational day's trip to the Knotts Berry Farm last week. They took in all the sights and even panned gold. Many souvenirs were purchased and the girls brought jams and jellies home to their families. They are making a tentative plan now to visit the famous zoo in San Diego the end of February. The troop is beginning to add more girls to its own softball league—the Powder Puffs—of which Doug Doyle is trainer. They are hopeful of having uniforms this year as they are fairly sure of a sponsor.

Troop leaders take notice! Mrs. Doyle is forming an active five person committee which will help her form monthly plans in advance for her troop. This type of committee for each program interesting and active, and easy to carry out.

## Alonzo Baker Closes Forum Series Tonight

Last of Public Forum hearings during the current season will be held tonight at Frances Stevens school auditorium at 8 o'clock with Alonzo Baker as the speaker.

His subject will be "What Success, United Nations?" Baker is a well known speaker and an authority on current affairs.

The Forum meetings are sponsored by the Palm Springs Unified School district.

## Noted Photographer Museum Visitor

Among recent visitors at the Desert Museum was Josef Muench, noted photographer of western scenes. He visited Tuesday night lecture and then proceeded on to Arizona on a picture-taking trip.

## "Perfect Love" to be Topic Sunday by Rev. Hogarth

The Rev. Robert M. Hogarth, rector, will preach Sunday morning in the Episcopal Church, St. Paul's in the Desert on "Perfect Love." "When Jesus used that phrase to His disciples during a storm on the Galilean Sea, they were in a condition of frantic unreasoning fear for their lives," the rector said. "He rebuked the storm until it subsided and said to His disciples, 'perfect love casteth out fear.' He meant the love in the heart of man which comes from faith in the perfect love of God for him. No love can be perfect without faith; with it man can overcome his fears. In these days of gathering war clouds many people are afflicted by unreasoning fears. They will never overcome them by concentrating on air power and atom bombs. Holy Communion will be celebrated this Sunday before Lent both at 8 and 11 a.m.

The service on Ash Wednesday will be at 10:30 a.m.; the Penitential Office, Holy Communion and Meditation "New and Contrite Hearts."

The annual World Day of Prayer for the Christian Churches in this area, will be held this year in the Episcopal Church on Friday, Feb. 9 at 3:00 p.m. Mrs. Edward H. Maggard, chairman. Churchfolk in Cathedral City, Rancho Mirage, Desert Hot Springs and Palm Desert usually join in united prayers for peace in the Palm Springs host church on that day.

## Loses Lions Skin Thief Raids Home of Noted Architect

Designer Raymond Lowey is out one lion skin this week. He reported the thing missing from the back yard of his 610 Panorama road home and assumed it was taken some time between Jan. 12 and 18, while the house was vacant.

Lowey usually kept the mounted head and skin draped over a large rock—that's where it's been for the past two years—for artistic effect.

Presumably some tasteless character walked off with the 100 pound, \$100 epidermis. He said hikers and children often cross his property.

## Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damill, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damill found that taking HADACOL helped his system overcome a deficiency of Vitamins B, B<sub>12</sub>, Niacin and Iron.

Here is Mr. Damill's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at night. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at night. Thanks to HADACOL, I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

# "KNOWLEDGE OF MANKIND BEING EXPLAINED BY LECTURER"

"According to Christian Science, the Biblical declaration that God is One and All reveals the basic truth of existence. Thus Christian Science challenges the increasing complexities and complications of material sense testimony," said Dr. Hendrik J. de Lange in beginning a discussion of his subject, "Christian Science: The Science of Existence," in a public lecture delivered Sunday afternoon, at the American Legion Auditorium, given under the auspices of First Church of Christ, Scientist, Palm Springs. Roy D. Mauldin introduced Dr. de Lange, of New York, N. Y., who is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

"The understanding of Christian Science as the Science of Existence has practical value in daily life," the lecturer continued. Mary Baker Eddy's discovery shows forth the necessity of being willing to reject erroneous modes of thinking. Simultaneously one has to be conscious of the true or spiritual sense of existence. In this manner, the healthy and happy simplicity of Life as it really is becomes one's natural experience.

**Existence Mental Activity**  
The possibility of such a radical change is understood when one recognizes that existence is primarily a mental activity. This may be considered self-evident. Nobody exists without mentality. Therefore, mentality includes existence, even that which argues that there is something outside of mentality—the material world, so called.

Mrs. Eddy describes the basic truth of existence in the following words (Science and Health with Key to the Scriptures, p. 276): "Divine metaphysics, as revealed to spiritual understanding, shows clearly that all is Mind, and that Mind is God, omnipotence, omnipresence, omniscience—that is, all power, all presence, all Science. Hence all is in reality the manifestation of Mind."

**Mrs. Eddy Divinely Inspired**  
The author of the textbook here quoted came to these fundamental conclusions in a truly spiritual fashion—by pure inspiration, not by mere human reasoning. There never existed a more genuinely intuitive woman than Mrs. Eddy. She embodied spiritual intuition and trustingly followed it up with penetrating perspicacity and loving thoroughness. This accounts for her being so inspirational to Christian Scientists and progressive in her scientific conclusions and demonstration. Her healing was the result of spiritually perceiving the true nature of existence, regardless of material appearances.

Her unselfish character evidenced itself in discovering that spiritual healing was not exceptionally her good fortune, but in accordance with divine law and thereby available for all. In order to establish among mankind this healing and saving knowledge of existence, as it really is, Mrs. Eddy founded and became the Leader of a great movement with a Church built on the Rock, Christ, that might serve the purpose for which she intended it. She wrote and revised her foremost work giving the complete system of Christian Science, and called her book "Science and Health with Key to the Scriptures." This textbook together with the Bible she ordained as the impersonal pastor of the Christian Science churches throughout the world.

**Reasoning from Cause to Effect**  
In Christian Science one thinks from cause to effect. The nature of the cause determines the effect, what is true and real as effect. What ever appears as contrary to the nature of the one cause must be classified as untrue and unreal, however true and real it may seem to be from within its own misconception. Hence the conclusion is that the cause is the true and real, since it is entitled to a classification as truth, or Science, must be comprised in a knowledge or understanding of God.

One's faculty to discern the ideas of infinity, eternality, oneness, perfection, aliveness—in other words, this restricted perception may seem to be—shows that these ideas exist. And their existence points to the fact that they must have a source. The nature of this source must be infinity, eternality, oneness, perfection, aliveness—in other words, this source is God. It is impossible to assume that infinity contains matter; that eternality contains time; that oneness contains duality; that perfection contains imperfection; that aliveness contains lack. For this reason, matter, time, duality, imperfection, lack—and thereby sin, sickness, and death—are necessarily to be classified as unreal and untrue.

For the one who has been habitually thinking about himself as a material person, the dawning understanding of the reality of material sense testimony has a revolutionary effect. He begins to discern that the only correct way to think of himself must be in terms of divine ideas expressing divine Principle. Otherwise, he ascribes to himself something unreal and untrue. Divine Principle is always expressing itself in direct accordance with its own divine and perfect character—that which divinely or truly exists. This leads to the conclusion that whatever is real and true concerning oneself is to be found exclusively in divine knowledge or Science.

## Man's Real Selfhood

Christian Science refutes material sense testimony with its belief about the compound idea of God, including all right ideas. God, divine Mind, the one and All-Being, is conscious of itself only. In this self-consciousness, Mind expresses itself as man.

Understanding the divine reality of one's selfhood or existence, one can be freed from everything which does not belong to divine reality. This is done by consistently, directly, subjectively living—that is, being conscious of the true definition of oneself. The liberating effect is the result of this identification with divine power. Christ Jesus furnishes the example.

## The Messiah's Mission

Christ Jesus' nature and mission were better understood by Mary Baker Eddy than by anyone else. She comprehended that his mission consisted in breaking down that "middle wall of partition." The revelation of God as divine Principle, the Way, the Truth, and the Life, the works of the Master were natural and scientific in the highest sense of those words, although miraculous to human comprehension.

As a result of this, it is evident that the works of the Master are to be renewed in the world wherever Christ-knowledge prevails and to the extent it is emulated. Christ Jesus' uniqueness is apparent in that he has been unsurpassed in his healing works. Accordingly, Science and Health states (p. 473): "Jesus is the name of the man who, more than all other men, has presented Christ, the true idea of God, healing the sick and the sinning and destroying the power of death." The textbook (p. 332) defines Christ as "the divine image and likeness, dispelling the illusions of the senses; the Way, the Truth, and the Life, healing the sick and casting out evils, destroying sin, disease, and death."

The indisputable fact of divine reality as infinite Truth and perpetual Life, comes to humanity or the human sense of existence as the way of progressive discernment. At first it seems to be merely a promise of good to come, heralded by the prophets as the Messiah. Then it appears as a person who comforts and heals. Finally, in full-orbed glory, it is presented as the Christ, Science or Science of Christianity. But all the while the Messiah's mission remains the same: the redemption of humanity. Thus the Messiah appeared first as a promise, then as a person, and finally as Science, the Science of Existence.

According to the Testament, salvation looked like a far-off future possibility. According to the New Testament, salvation was often interpreted as a belief in a personal Jesus. In terms of Christian Science, this is "Life, Truth, and Love understood and demonstrated as supreme over all: sin, sickness, and death destroyed" (Science and Health, p. 593). Thus humanity is now being provided with a scientific system which is freeing it from all ills, sins, discords, fears, and limitations. This is the demonstration of existence as it really is. It means the refusal to accept a false sense of self, consequently the recognition of true selfhood as the impersonal, ever-present Christ.

You and I are able to acknowledge this Christ and are capable of showing it forth. This takes place by ceasing from "man, whose breath is in his nostrils"—that is, by refusing to think of oneself from a personal point of view. Instead of such superficiality, we must behold existence from our own cause, and we must identify ourselves with the divine ideas thus revealed. We have to affirm as true for ourselves whatever is true of the nature of God or Truth, and we have to deny as untrue whatever is not in accordance with the divine nature.

## No Identity for Mortal Suggestions

It does not make the least difference whether the false suggestion comes as "I have a problem," or as "his difficulty," or as "humanity is in trouble." In no case must the suggestion be accepted. As long as I think that I know the Truth, but at the same time continue to admit that "he," or "they," or "humanity at large" has difficulties, I have indirectly admitted a very undesirable error, impeding my own progress. When one becomes less discriminating between what seems to be one's own problems and those of others, the so-called complaint that it is so much easier to help somebody else in Christian Science than oneself will not be any more heard. It is never one's own problem; it is always a problem of the erroneous human concept—the human concept being a problem in itself.

On the basis of the allness, oneness, and reality of divine Mind, error or mortal mind, so called, has no presence, power, reality, entity, or identity. This leads to the conclusion that all there is to error is its admission and the admission is a mistake. When I stop admitting error to the extent that I do not even any more accept the belief that someone else admits it, in that ratio this is the end of that error. There is encouragement in knowing that since error or evil never really started—evil having no origin, since it is wholly fictitious and negative—its end is always now.

## Treatment Utilization of Truth

The thought activity here indicated is the Christian Science prayer or treatment. Briefly, it may be defined as the utilization of divine power, eliminating whatever suggestions may seem to have placed themselves between oneself and his primal source, or preventing such erroneous occurrences.

Affirmation of the truth and denial of error constitute the treatment. Although having no appearing as the declaration or thought of a person, the affirmation of the truth is really Truth expressing itself. Error is

always self-denied. In "Miscellaneous Writings" by Mary Baker Eddy, this illuminating statement appears (p. 259): "The consciousness of good has no consciousness or knowledge of evil; and evil is not a quality to be known or eliminated by good." The fact of the allness of Truth makes possible the nothingness of error. If Truth were not all, error would have entity and reality; consequently it could not be regarded as nothing. Christian Science treatment fulfills the function of destroying error of the possibility of perpetuating itself.

Affirmation of the truth should have immediate healing effect. And it has this effect when it takes place in the way it is so incomparably set forth in Science and Health (p. 411): "If Spirit or the power of divine Love bear witness to the truth, it is the ultimate of the scientific way, and the healing is instantaneous."

In this affirmation of the truth, one has the right basis for denying whatever is not true—whatever the situation requires it—that is to say, if the healing should not be instantaneous. Nevertheless, the affirmation constitutes in itself the most potent denial. The denial or argument is always a human auxiliary. It serves a purpose in order that the treatment may arrive at the point where it is clearly understood and felt—the infinitude of real Being all is well.

## Healing Explained

All real Being is Mind; therefore the healing in Christian Science effects a removal of false beliefs which, when accepted, evidence themselves either as diseases of the human body or as discordant conditions by the way of family relations, business difficulties, and world problems. Should the healing not readily follow the treatment, it might be well to ponder a statement by Mrs. Eddy in "Retrospection and Introspection" (p. 54): "Millions are believing in God, or good, without bearing the fruits of goodness, not having reached his Science."

Let us take a case of disease. For the sake of simplification, the false beliefs assumed to be the source of disease may be divided into three groups. The first group pertains to life, the second to body, and the third to health.

As far as human sense is concerned, life belongs to the material body and is dependent upon it. Life is supposed to start with the birth of a material man and to end with his death. In Christian Science, this is recognized to be a misapprehension. In accordance with Christ Jesus' teaching that to know God is to know life eternal, life is identified with God. Indeed, the Christian Science textbook states (p. 465) that Life is a synonym for God. Being All, there is but one Life, inevitably the only Life expressed by man. We then think of life, not any more as pertaining to the finite frailties of a material entity, but as the infinite perpetuation of divine Principle itself.

Again, body is humanly regarded as connected with matter, which is nothing but a false belief. The oppression or embodiment of mortal, so-called, mind. Obviously, this is the false concept about that which body divinely is as Principle's expression or embodiment of itself. St. Paul's statement coincides with this when he wrote his fellow Christians in Corinth that they were "the temple of the living God." This temple or body is immune to disease, disintegration, death. It consists in knowing oneself as divine idea. Being aware of this divine knowledge as real existence, as body, is health, strength, and thereby regeneration to what is humanly considered to be body. Why? Because it lessens fear, the most disintegrating of all evil influences. Also because it removes the limitations attached to a false belief, thus making it possible for one to experience more and more tangibly the spiritual knowledge or embodiment of right ideas which one really is.

According to human estimation, health is a state of the material body, and for that reason ill-health is believed to be just as natural as good health. What a mistake, when one observes the origin of this word so closely related to wholeness! Christian Science extends to us the real sense of wholeness in the definition of man, who, as the textbook (p. 473) explains, "reflects spiritual good that belongs to his Maker." Let me be permitted to stress the word "all," because the understanding of oneself as including the entirety of right ideas has much to do with the discernment of one's true Being—its oneness and wholeness—before the real sense or practical spiritual fact of one's enduring, unchanging health.

## Mortal Mind Myth

The tendency to materialize spiritual facts is the product of that which Christian Science calls mortal mind. "That which neither exists in Science nor can be recognized by the spiritual senses" is the textbook's disposal of mortal mind (p. 592), which appears to interfere with the logical unfolding of real existence. While the term "divine Mind" refers to the actual and existent, the term "mortal mind" refers to "nothing claiming to be something" (ibid., p. 593). The all that there is to mortal mind is the term, and the term is a solecism at that! Its claim is a claim of sheer negation. Its supposed activity has been designated in Christian Science as animal magnetism or hypnotism.

Animal magnetism or hypnotism attempts to operate through thought transference. Thought transference postulates the belief in two or more minds. In order to counteract animal magnetism, the first thing to be done is to refrain from believing that one has a mortal or human mind. A human mind implies mental manipulation. The recognition in Christian Science that one's true selfhood is the expression of the one infinite, all-inclusive divine Mind, is the basic understanding and declaration for proving the nothingness of animal magnetism. The one divine Mind need not be transferred. Its infinite perfection, power, and permanence are already ever-present.

ent. This has to be acknowledged by way of identifying oneself with this Mind as the idea of Mind. Notwithstanding the claim that it is personal according to human appearance, it is not personal at all. It is the divine good which constitutes the one and only man, "the full representation of Mind" (ibid., p. 591). Whatever seems objectionable, and according to human appearance, is not in oneself or in others, is no person, no thing at all. It is nothing.

## Fear Analyzed

Whenever a suggestion of fear claims to whisper or scream that it is your experience, remind yourself that the three of fear are never directed against your real and only self. They are directed against an erroneous, mortal, personal concept of man. If you have unthinkingly identified yourself with that erroneous concept, believing that it was you, you have sovereignly divine power to annul this wrong identification. Moreover, you have scientific ability to forestall a false suggestion, in case it attempts to insinuate a wrong identification. Fear is so objectionable because, by giving in to it, you identify yourself with the very thing of which you are afraid. Hence, Job's well-known saying, "The thing which I greatly feared is come upon me."

Of course, that which presents itself as a fearful condition—suggesting that it includes and engulfs you—is nothing but a false, spurious, baseless, substanceless, lawless, powerless, mindless dream-picture. It can only assert its supposed influence by claiming that it includes you. In proving this suggestion, you would lose the dominion divinely bestowed upon you as divine idea. By permitting your mentality to be encompassed by a mortal concept of existence, you would have first to think about yourself as a person. Know, therefore, that this is all wrong. Know that you have the ability, through the understanding of Christian Science, to exclude this falsity, or, better still, to preclude it on the basis of its nothingness. All there is to man is all-inclusive infinite Mind manifesting itself. Outside of Mind, no reality exists. Evil claims to be now and here, but it always is nowhere.

The mortal sense of existence, being merely a suggested aspect of divine good, the consequent belief in evil, is continually scourged by fear in different disguises. Sometimes it has been the fear that the world would come to an end. Particularly around the year 1000 A.D. this suggestion prevailed. A mistaken sense of millennium had the Christian world in its grasp. All earthly existence was expected to end. People sold, gave away, and squandered their possessions. Everything being mental, the millennium is a state of consciousness wherein there is no more identification with the material world. In fact, wherein there is complete identification with the divine—absolute scientific existence. The millennium, contrary to its name, has really no connection with time. It is the understanding of Truth, divine Love; the Kingdom of Heaven, which Christ proclaimed "is within you." It is always now and here for those who know enough to realize it. And, by its very nature, real existence has to be eternal. It has nothing inside of itself that could stop it, and there is nothing outside of it.

At other periods of human history fear seemed to prevail in the form of certain diseases, such as plague and smallpox. It appeared to overwhelm vast sections of mankind with disastrous results. Nowadays, the same mortal fear has assumed different disguise, in the form of military, machine, and more gruesome and destructive than ever. War is the name of this senseless belief. It not only claims to take a heavy toll of human life and property, but also threatens to wipe out civilization with its rightful human liberties. Obviously won in previous centuries.

## Mass Hypnotism Exposed

Hypnotism of the masses seems to be the medium through which certain nations are made the tool for conquering and subjugating other nations. Speech, writing, radio are marshaled to impress these masses with special slogans repeated *ad nauseam*. Hereby, freedom of thought is impaired and many become victims, surrendering their mental independence and liberty. One of the methods used by those who believe in this mesmerizing influence is propaganda. It may be remarked as an interesting instance of her prophetic and intuitive wisdom, that Mrs. Eddy stayed away from the use of propaganda altogether. The word "propaganda" is mentioned only once in all of her published writings. The sentence in which this word occurs is worth while quoting: "To demonstrate Science and its pure monotheism—one God, one Christ, no idolatry, no human propaganda, is essential to the spiritual idea" (The First Church of Christ, Scientist, and Miscellany, p. 303).

One misunderstands grossly the spiritual idea by thinking of oneself as a human person realizing the truth among millions of other persons. One has hereby opened his being to propaganda and its mass hypnotism. It is evident that a merely human method for obliterating the belief of mass hypnotism is insufficient from the start. The only thing it can do is to offer a counteracting influence. Naturally, it is not a lasting and dependable remedy. It does not eradicate the false claim.

## Science Protective and Preventive

The scientific work of eradication of the basis of evil nothingness has been explained by Mrs. Eddy in the following statement (No and Yes, p. 36): "The human Jesus had a resort to his higher self and relation to the Father, and there could find rest from unreal trials in the conscious reality and royalty of his being—holding the mortal as unreal, and the divine as real." On the same page is further explained

how "this retreat from material to spiritual selfhood" enabled the Master to triumph over every form of evil, death included.

The understanding that one's true selfhood is divine idea, here and now, instead of dwelling in the attitude of trying to hope to realize this fact in the future, makes Christian Science operative as the mighty preventive of everything ungodlike. One sees that the divine consciousness, which seemed formerly to be a spiritual refuge, is really one's direct, spiritual, and only selfhood or existence. "Existence, separate from divinity, Science explains as impossible" (Science and Health, p. 522).

In this way of thinking, false suggestions are prevented from asserting themselves as one's experience. The writer of the epistle to the Hebrews declared that Jesus was in all points tempted, yet without sin. Does not this mean that although he was tempted, he did not identify himself with the temptation? Jesus as to others, his immediate detection of such suggestions as being neither his body nor his thoughts prevented them from having any physical or moral effect? His spiritual integrity remained intact.

## Church the Consciousness of Truth and Love

Spiritual integrity makes it possible to understand more clearly the mental nature of all existence. Thus it is discerned that church primarily is a spiritual idea, although humanly fact as a material building and organization. When Peter recognized Christ Jesus' real nature, by declaring that he was "the Christ, the Son (consciousness) of the living God," the Master inferred that this right idea which Peter had received was the Rock, or spiritual foundation, whereon Jesus would build his church (see Matthew 16:18).

Mrs. Eddy defines "Church" in Science and Health (p. 583) as the structure of Truth and Love; whatever rests upon and proceeds from divine Principle. This structure is evidently the Rock of which the Master spoke, and for that reason we can elucidate our spiritual sense of church by thinking of it as the consciousness of Truth and Love. This consciousness necessarily rests upon and proceeds from divine Principle. And why is this so? Because it is not human thought groping up to God.

When thought begins to proceed naturally from divine, universal Principle, Love, it becomes possible to recognize the array of mortal mind pictures—from a miserable, fearful person to the agony of nations in a deadly struggle—is the most preposterous dream ever dreamt. Indeed, all there is to it is a gigantic illusion staged by the father of all frauds—the devil, alias mortal mind.

The way to help the world and what claims to be one's human self is to stay out of the human, mortal, deceptive dream by living church in all its spontaneous power and loving tenderness. Refuse to think of this as an act of body, or of mortal mind pictures. The joy and Science of real Being is ever present. It is here and now for your instant acknowledgment and fruition. It means the satisfaction of spiritual inclusion—including not only those right ideas about the nature of God, but also the person, and his personal relationships and conditions are the finite concept, but also those right ideas about which the nations and races of the world and their relationships are the mortal misconception.

## The Movement's Universal Scope

The understanding and consequent embodying of the blessedness of divine Principle constitutes a vital part of one's qualifications for membership in The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and in one of its numerous branch churches or societies throughout the world. With such a well-prepared and well-equipped membership, the Christian Science movement is bound to fulfill its mission. This mission is nobly set forth in the second paragraph of "Church" on page 583 of Science and Health. The spiritual attitude and attitude of thought on the part of the Christian Scientist is surely "elevating the race, rousing the dormant understanding from material beliefs to the apprehension of spiritual ideas and the demonstration of divine Science," however formidable mortal mind's opposition may assume to be. The mission of the church, and that means, of course, the mission of its members, consists in furthering this true understanding. It means the acknowledgment of the good qualities shown forth by nations and races are, in their real nature, divine, imperishable, right ideas, included in man, who "reflects all that we can know God" (Miscellaneous Writings, p. 79).

The United States of America has a specific task to fulfill in the regeneration of the world, which is inevitable as a result of the spiritual activity in Christian Science. Everything being mental, the United States of America is not just a territory occupied by millions of people. It is really a state of consciousness, and thereby a power. The fact is that Christian Science was discovered here cannot be too strongly emphasized. It has a deep meaning which the world at large will better understand in the measure that Christian Scientists comprehend more fully their divine status.

## Freedom Spiritual

It was in the United States of America that truth first found enough receptivity and expression to announce real freedom. Freedom is not primarily political, but a spiritual mode of life. Man divinely self-governed shows forth true freedom. Organized evil can never obliterate man's individually self-governed destiny. Our work is to maintain this fact of individual self-government, and to be alertly aware that this is an essential element for the welfare of the human race. The one and only way to help

the human race is to help the human yield to the divine. Christian Science encourages humanity to do this. Christian Science shows that there need not be any hesitation in this yielding to real existence, and no fear that something of value will be lost in so doing. Science and Health assures us (p. 302): "It is impossible that man should lose anything that is real, when God is all and eternally his." The human is not a precious and necessary entity of its own. There is nothing to it but a finite, imperfect, temporal, perverted sense of the divine. Whatever seems to be humanly commendable, desirable, enjoyable, and right, is not human but the divine appearing, however faintly, in spite of the human, not through the human. The possession and enjoyment of the divine itself, as a result of being identified with it, is undoubtedly far more thrilling, practical, and worth while.

Existence as it divinely, actually, is, constitutes the most radiant, satisfying, and happy existence one could ever have or be. When, in place of false belief—always considering itself as a person—the understanding of a real, scientific existence appears, a mistaken, mesmerizing belief will readily give itself up. But, in the spiritually mental belief, all that has to occur is a change of mentality, of concept. In this growth of understanding, it should become also possible for that which we have been calling nations to show forth this change of concept.

Mind's manifestation of itself as man—the compound idea including the universe of right ideas—is a universal thought activity, never localized, limited, dormant. It is dynamic, infinite, all-inclusive. When thought is poised as infinite consciousness, there is nothing so far-distant, too difficult, too worldly to come within the limitless scope of this spiritual realization.

## Summary

In summarizing this lecture on Christian Science as the Science of Existence, the following may give a general idea of its trend of thought:

In conformity with the Bible, the oneness and allness of God is accepted in Christian Science as the fundamental truth of existence, and thereby the nature of everything that really, scientifically exists. Mrs. Eddy's spirituality made her perceive that allness necessitates infinite self-perpetuity and therefore cannot contain an element contrary to its own infinity and eternality. Thus the Discoverer and Founder of Christian Science discerned the entire goodness of God. Divine allness being basic and true, whatever appears as contrary to God's nature—presented by material sense testimony—must be classified as baseless and false.

Being All, and thereby constituting the divine status of man is to be found, exclusively, as the knowledge or idea of God. The striking but unavoidable conclusion reached at this point is that man and real existence are virtually identical. In this understanding are infinite possibilities for redemption, health, prosperity, happiness. It enables one to be freed from everything, every belief unlike God or supreme good.

Divine power becomes available in the Christian Science treatment—the negation of material existence, the denial of error, the divine activity, having nothing to do with human will power or suggestion. Christ Jesus was the great Exemplar of this divine activity, which is the eternal, ever-present Christ. His works, far from being miracles, were an exemplification of divine power. Nowadays, these works of healing and redemption abound in the lives of Christian Scientists. Scientifically regarded, they are not human or material. They are the fuller appearance of that which man already divinely is: real existence. Human or mortal mind is the collective name used in Christian Science for beliefs—for whatever has no divine or substantial existence. Since the one and only Mind is divine, human or mortal mind is a nonentity, a deception, a negation. The supposed activity of mortal mind is defined as animal magnetism or hypnotism, rampant in a material sense of existence. It assumes nowadays the disguise of aggressive nationalism, using mass hypnotism as one of its main weapons in subduing nations. The only system actually able to deal successfully with the "murderer from the beginning" is Christian Science. Countersuggestion and mere religious faith can never accomplish it, since they both accept the reality of evil and the plurality of man.

As the crusade of Christian Science, the United States of America has an important part in the work of world regeneration. This country stands for the furtherance and protection of true freedom, exemplified by man divinely self-governed. The mission of Christian Science and the mission of the United States of America concur in this enlightened purpose.

## Existence Is Science

By fundamentally living this Science of Existence, the Christian Scientist is experiencing his divine selfhood—existence as it really is. Hereby he is benefiting humanity by spiritually expressing in everyday life the beauty of existence, its liberty, nobility, joy; its bounty, blessedness, and progressive unfolding. As the Christian Science textbook (p. 427) so lucidly informs us, "The belief that existence is contingent on matter must be met and mastered by Science, before Life can be understood and harmony obtained." Thus, we are evermore vividly aware that our existence is Science, a divinely loving power and logical activity. We really hereby go forth and live this Science of Existence, which has no other purpose than to bless.

Bids of the Bank of America were accepted Monday by Board of Supervisors on sale of \$192,000 Coachella School District bonds, and \$66,000 Glen Avon School District bonds.

## Landscaping Authority to Present Gardening Course

By MELBA BENNETT

Starting tonight at Palm Springs high school, Zarah Kiragh, outstanding southern California landscape architect, will present a series of ten lectures on gardening under auspices of Palm Springs Garden Club. The lectures start at 7:30 p.m.

The fee for the lectures is \$6 and as the enrollment is limited, those planning on taking the course should so notify Chester Soroule, head of the adult education program at the High School, immediately.

The lecturer, of Los Angeles and Santa Barbara, is a director of the Landscaping Society of Southern California. His authoritative articles on landscaping have appeared in House Beautiful, Garden Magazine, the Los

Angeles Times, and many other publications.

The course, as outlined, will include the theory and fundamental ideas of design, purpose and individualism in garden planning, architectural features, remodeling of old gardens, construction of walks, drives, service areas, patios, and the use of special materials. Emphasis will be placed on appropriate planning and planting of gardens for the desert area, and special attention will be given to community drive and mark design. If you wish to bring your own garden planning as a project, you will have the benefit of Kiragh's suggestions and criticism. The classes will be held every Friday night from Feb. 2 through April 6.

## Coachella Valley Planners Back Rain-Making Program

New backing was given a plan for tax-support rain-making in Riverside county last week by the Coachella Valley Advisory Planning Committee at its meeting at Palm Desert Magazine office.

Led by a delegation from Cathedral City, the planners adopted a resolution to be sent to State Senator Nelson Dilworth and Assemblyman John Babbage urging them to work for a change in state law to allow the county board of supervisors to participate in rainmaking directly.

ALTHOUGH THERE was no words of caution against possible damage to Coachella Valley were voiced during the discussion.

L. Cavanagh, of Indian Wells, expressed fear that Valleywide rains at the wrong time would do far more harm than good.

Rains at certain periods have caused damage to the date crops. The Cathedral City spokesman, W. R. Hillery and Paul Clark, reassured him, however, that the proposed change would be merely an enabling law.

## CHRISTIAN SCIENCE

### SUNDAY SUBJECT "LOVE"

The mighty power of God to banish disease and sin will be considered in the Bible Lesson on "Love" in all Christian Science churches Sunday.

The Golden Text is from Zephaniah: "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing" (3:17).

The Lesson-Sermon includes the story of the healing by Jesus of the woman who, according to Luke's Gospel, was "bowed together, and could in no wise lift up herself." When the ruler of the synagogue objected to his healing on the sabbath day, Jesus replied, "Doth not each one of you on the sabbath loose his ox or his ass from the stall, and lead him away to watering? And ought not this woman, . . . whom Satan hath bound, lo, these eighteen years, be loosed from this bond on the sabbath day?" (13:11, 15, 16).

A selection from "Science and Health with Key to the Scriptures" by Mary Baker Eddy declares: "The power of Christian Science and divine love is omnipotent. It is indeed adequate to unclasp the hold and to destroy disease, sin, and death." (p. 412).

## 1951 Grand Jury Panel Includes Name of Villager

Thirty members of a panel from which the 1951 grand jury will be chosen will appear in Judge John Gabbett's court next Monday when the 19 members who will comprise the jury are chosen.

Names of the 30 members were drawn last week from a list of 75, each judge submitting 25 names.

As in the past, names of Riverside dominate the list. Of the

30 chosen 25 are residents of the county seat.

Only two names represent the desert area. Mrs. Russell Denney of Palm Springs and a resident of Ripley.

The new grand jury will investigate the efficiency of county departments and also may be called upon to survey city governments and alleged crimes.

It will replace the 1950 grand jury which returned earlier this month in a heated controversy after criticizing the district attorney's office and the board of supervisors which retired January 3.

## Officers Named by Shrine Club

Members of Palm Springs Shrine club met last week at the Chi Chi and elected George Wheeler president for the new year. A large turnout was present at the luncheon.

Other officers elected were: John Archibald, first vice president; Harold C. West, second vice president; Carol Waller, treasurer; Peter B. Sheptenko, secretary.

Directors named were: G. K. Sanborn, Claude Church, H. W. Burns, James Pippin, Walter Melrose, Dr. William P. Aikin. President Wheeler has called an early meeting of officers and directors to map plans for an active year.

## Coroner Lists 101 Deaths Due to Traffic in Year

Palm Springs was one of the safest spots in the county in 1950. Coroner Ben White reported to supervisors last week.

Of the 101 traffic deaths in the county, six occurred here. Indio with 18 topped the list. Corona and Banning with 5 each, were lowest.

Coroner White reported he had investigated 127 violent deaths in the year, 101 being due to traffic. In 1949, traffic deaths totalled 102.

Other leading causes of violent deaths were:

Suicides, 31.  
Falls, 26.  
Airplane crashes, 12.  
Drownings, 10.  
Homicides, 9.

Coroner Ben White and his staff also probed 274 deaths finally attributed to natural causes.

Of natural deaths, heart cases led with 183 out of 274. Bronchial pneumonia stood next with 12, followed by cerebral hemorrhage with 11. There were nine deaths from internal hemorrhage, seven from pulmonary edema.

HONORED—O. A. Torgerson, president of Desert Bank of Cathedral City and Palm Springs who was named on the directorate of the Independent Bankers association of Southern California, last week.

## Bank Association Elects Torgerson Member of Board

O. A. Torgerson, president, Desert Bank, Palm Springs and Cathedral City, was elected a director for a three-year term by the Independent Bankers Association of Southern California, composed of 62 independent community owned and operated banks, at the organization's 24th annual meeting in Los Angeles. The combined resources of the association are in excess of one billion dollars.

Officers elected at the meeting were: president, Fred B. Dickey, vice president of the Farmers and Merchants National Bank of Los Angeles; vice president, K. W. Clague, cashier, San Diego Trust and Savings Bank; and G. B. Kellogg, cashier, First State Bank of Rosemead. Other directors elected were: A. A. Milligan, assistant cashier, Bank of A. Levy, Inc., Oxnard; H. E. Kerr, assistant cashier, The Farmers and Merchants National Bank of Los Angeles; and Clyde Williams, vice president, Santa Monica Commercial and Savings Bank, Santa Monica.

Principals at the meeting, which was attended by more than 150 independent bankers, was Verne Orr, prominent southern automobile executive and formerly vice president of Chrysler Motors of California. Mr. Orr's subject was "World Tensions" and his remarks were based on his observations during the world tour from which he has just returned.

## Prison Sentence for Hold-Up Men

Two army deserters who held up the 359 Club in Indio on Jan. 4, and shot the proprietor were under sentence to San Quentin state penitentiary Tuesday.

Each is to serve sentences of 10 years to life.

Thomas LeRoy Teale, 22, and Joseph Dillard Taylor, 22, pleaded guilty before Superior Judge Russell S. Waite. They each pleaded guilty to four counts of robbery and to one count of assault with intent to commit murder.

The wounded proprietor—Harold Thompson, former Riverside Jeweler—has recovered. The holdup occurred Jan. 4. Teale did the shooting.

On the night of the shooting and robbery, local police set up road blocks when the pair were first reported headed this way.

## Pre-Valentine Dance Planned at Youth Center

A semi-formal pre-Valentine's day dance will be held tonight at the Youth Center by pupils at Nellie Coffman school.

Music will be by recording and punch and cookies will be served. Junior high schoolers with student body cards will be admitted free while others will be assessed 25 cents.

## Sand Doin's

"GO WESTERN, YOUNG MAN," should be a safe rule to follow for any desert doings. Western wear has been found a popular substitute for the tux in another western resort — Las Vegas. Fellows find it more comfortable and visitors love the added color and atmosphere. Gotta kick out of a certain gent who dressed formally for opening night at Palm Springs Playhouse. He was late over the fact that his wife had insisted he go formal as many did and when he got there here was this "P.I.?" cowboy, not only at perfect ease in good looking western attire, but surrounded by more lovely ladies than any formally dressed man. The handsome cowboy turned out to be Frank Bogert! Palm Springs certainly won't be lacking for western atmosphere this particular weekend with the big rodeo coming up . . . and those who have to haul their western outfits out of mothballs should keep them out!

WEEKLY BREAKFAST RIDES taken in various scenic spots each Sunday morning for the real westerners. This past Sunday A.M. found most of the local stables empty and the horses could be found hitched near the water tower above Rancho Mirage while the riders were enjoying a good old fashioned chuck wagon breakfast. Those present included Jack Boyer, Betty Fisher, Bob and Marie Larson, Ed Noonan, Frank Eyrand, Mrs. Kathy Green-Woodland, and Johnny Boyle and Marilyn Miller who sang "Tennessee Waltz" so beautifully.

SAND IN THEIR SHOES—Several years ago found Connie Hoffman as manager of Sage and Sun and Bill Godlove as tract manager of Palm Village. Romance budded, they were married and off to Medford, Oregon until this week. Presently staying with Adele Lingo at the Palm Village Biltmore, they have left Oregon and are very anxious to settle in the desert for good.

HERE AND THERE—Off to the

Mardi Gras in his own home town, New Orleans, is P. J. Clacchio of Hollywood and Rancho Mirage. P. J. has advance reservations for all events which Mardi Gras brings. His wife, Grace, will keep the home fires burning in their desert home until his return. . . The Charles Sherwoods of Warner Brothers and Hollywood were weekend guests of Dr. Gogerty. . . Guesting at White Sun Guest Ranch were Esther Griffin of Palo Alto, Helen Valdez of San Francisco, Mr. and Mrs. Fred Bacon of Massachusetts, and Mr. and Mrs. Darwin Knapp of Fresno.

VENISON DINNER was on the menu at the Rembert Trezevants the other night. Enjoying the result of a Mt. Lassen hunting trip and polishing up their Rhumba and Samba was a party including the Carl Hendersons, the Wilbur Bears, the Joseph Kirks, Clay Stearns, Mrs. Mary McNamara, the R. E. Brooks and the F. C. Mitchells and the J. B. Schutzes. Incidentally Trezevants, who has been in law practice for 36 years, is in the process of opening up a new office in Palm Desert.

LAKE TAHOE days at the Wagon Wheel were brought to mind, as Harvey and Louella Gross (owners) were chatting at the Shadow Mountain Club with head bartender, Johnny McCaughy and maitre D' Pat McCarty. Pat and Johnny, who are so popular with club members, spend their summer at the Wagon Wheel as employees of Mr. and Mrs. Gross.

IT PAYS to put something away for a rainy day—for some it's only an umbrella; for Hoagy Carmichael it's his golf clubs! The desert doesn't get many days of rain, but when it does it means business. For several hours Monday it was Stardust vs. Raindrops as Hoagy Carmichael (famed writer of Stardust) played golf at Thunderbird apparently oblivious to the rain perhaps thinking he was drenched with perspiration!

Brown Ousted as Welfare Director

Floyd Brown, acting county welfare director, was fired Monday by supervisors. They replaced him with John McIntyre who had been his predecessor.

The action followed a meeting of supervisors with Ralph L. Goff, assistant director of the state department of social welfare. Four supervisors said that this talk had convinced them that Brown was not the man for the job. Supervisor William Slane voted against firing Brown. He said he was not convinced that Brown was incompetent.

## Desert-Wide Promotion Plans Begun

Wonder Palms to be Scene of Discussion by Community Leader

Fifty community leaders from the desert area, at a meeting Tuesday night at Wonder Palms hotel, will discuss feasibility of expanding the work of Desert Associates so that the organization may serve as a coordinating and promotional unit for the "Desert Empire" of Riverside county.

Plans for this desert-wide session were laid here a few days ago at a conference of several officers and directors of the association. The organization had as its initial job two years ago the opposition to the unrestricted zoning given by the county for a cement mill near Palm Springs.

Under the reorganization plan, it is hoped to create a promotional group in which residents, agriculturists, Chamber of Commerce, newspaper publishers and various other groups will be represented. Holdover officers of the Associates are L. C. Lewis, Cathedral City, president, and Harry C. Harper, Palm Springs, executive secretary. New officers would be chosen if the reorganization plan is completed.

Many critical problems and projects must be tackled by a desert-wide group, and the Associates offer the best group for the task, the steering committee voted here recently. Organized as a non-profit corporation, it has 250 members, mostly in the Palm Springs, Cathedral City and Desert Hot Springs areas.

One of the principal projects on which the group plans action is the furthering of the plan to create either a National Monument or a State Park in the canyons near Palm Springs.

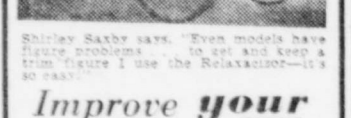

## Bank of America Aids City Offices

Starting yesterday, February 1, the Bank of America inaugurated a new service for Villagers in cooperation with the waste disposal department at the city hall. Accounts with this department may be paid at the bank during banking hours, thus making a trip to the city hall unnecessary.

Villagers need only present the bill to any teller in the bank with the required payment and their bill will be stamped paid and the stubs sent to the city hall.

It was emphasized that this service is only for payment of bills.

## Advice from famous model

Shirley Sahrb says: "Even models have figure problems... to get and keep a trim figure I use the Relaxacisor... it's so easy!"

## Improve your FIGURE

Now—easy way at HOME!

FREE Try it in your home No Cost. No Obligation

## NEW Not weight loss But inch loss!

Pulls in hips, abdomen—ALL parts of body. Safe. Easy. Healthful. Tightens muscles. Does not cause ugly sagging like dieting. Use in spare time at HOME while you REST! Relax your way to new beauty with the amazing new Relaxacisor. TELEPHONE for complete information

Palm Springs 2701

## Jewish Center Temple Drive Nears Success

Led by Mayor Charles Farrell, many prominent Villagers are enrolling in the dedication book for completion of the Jewish Community Center Temple building. The mayor's contribution was received by Saul Rusk, president, this week in the following letter:

"I wish you God-speed in your drive for funds to complete your Temple building. It is a worthy cause to which men of good-will of all faiths will want to contribute. Enclosed is my check for \$200."

Hank Goldenberg, prominent west coast theater operator, chairman of the drive committee, expressed confidence that the drive which closes in a few days will provide sufficient funds to complete the main Temple building. It is the hope of the congregation to have the building completed in time for the High Holy Day service in October.

## Lions Hear Talk by Prosecutor

District Attorney W. O. Mackey discussed the function of a district attorney's office and recent developments in that field at a Lions luncheon meeting yesterday at the Chi Chi club. Chairman of the day was Warren Slaughter.

Last week a representative group of Lions attended the annual luncheon meeting with Anaheim Lions in that city. The yearly affair dates from 1938 when local Lions gave financial assistance to the Anaheim group during a major flood disaster.

Lion President Charles McGinn announced three new members: Ralph Shelley, Shelly Sporting Goods; Merritt Williams, assistant postmaster, and Ed Waller, Desert Date shop.

## CANCER

The American Association of University Women at the North End school. Public education is only a part of the American Cancer Society's program for saving lives. A large part of its budget is reserved for professional education—the instruction of doctors, nurses, dentists, public health workers, medical social workers, technicians. The largest single item in professional education is the sum set aside for special grants and fellowships. It includes the endowment of 70 clinical fellowships, training programs, scholarships in cancer nursing, and allied fields.

IN THE NEW PROGRAM recently inaugurated by the Cancer Society, \$90,000 has been allocated so that scholars in cancer research may continue their work after their fellowships have been completed.

Besides this, grants are made for service projects for cancer patients, including diagnostic clinics, care centers, and many other services.

The American Cancer Society derives its assistance from the voluntary donations of the American public.

## Father of Village Woman is Taken

William D. Jones, 77, father of Mrs. Truv Rogers who is the wife of the stable owner, died at his San Jacinto home Monday night. Cause of death was an internal disorder.

Survivors are three daughters: Mrs. Thelma Todd of La Mesa, Mrs. Grace Wilson of San Jacinto and Mrs. Rogers and two sons: Paul Jones of Redland and Dan Jones of San Diego.

The funeral will be held this morning at Harford Funeral home in San Jacinto.

## Village Troops Join in National Scout Celebration

Local Boy Scouts will participate in the annual B'nai B'rith window display contest as a part of the Riverside county Scouts celebration of Boy Scout week and the 41st anniversary of Scouting. Unit and group activities will take place from Mira Loma to Blythe.

Other county activities include the 11th annual pilgrimage to the Watchorn Lincoln shrine in Redlands, February 10, and a reunion of county scouts who attended the national jamboree at Valley Forge last summer. The window display contest is open to all scout, cub, and explorer units in the County. Prizes will be awarded in all county scout districts for the best displays depicting scouting activities.

Photos of displays must be submitted to Boy Scout headquarters in Riverside by Feb. 15 for final judging. The B'nai B'rith, Jewish service organization, will give cash awards in cub scout, and explorer divisions. All displays must follow the Boy Scouts' 41st anniversary theme, "Strengthen Liberty."

Cub packs will hold "Blue and Gold" dinners, scout and explorer units will hold open house, "Dad and Son" dinners, and troop birthday parties during the week.

Scouts are being encouraged to wear uniforms to school during the week, and to their churches on Feb. 11. Boy Scout Sunday, said Herman Reich, district chairman.

## Frank A. Andrews is Taken by Death

Frank A. Andrews of 475 Vereda Norte, a resident of the Village for four years, died at his home last Thursday after a brief illness.

Last rites were said Monday at Forest Lawn.

A native of Kansas and an oil man, he is survived by his wife, Mrs. Thelma E. Andrews of the local address; a daughter, Mrs. Jane Andrews Saunderson of Balboa, and a stepmother, Mrs. T. W. Andrews of Inglewood.

## Mrs. Kelley Again Able to be Out

Mrs. Ray Kelley, confined to her home for some time due to a back injury received in an automobile accident, is able to be out again. Under the care of a specialist for the past few weeks, she is now out again with the aid of a metal back brace.

## Wisconsin Flyers Get Unexpected Village Weekend

Inclement Los Angeles weather forced an extended Palm Springs visit on a group of flying enthusiasts early this week. Twenty-eight Wisconsin residents and private flyers composed a light plane caravan completed a 20 hour cross-country flight here from Madison Sunday in their eight-plane fleet.

They were scheduled to fly to Los Angeles Sunday but stayed overnight and traveled in by bus Monday. Their aircraft, seven four-place and one two-place Cessnas, await at Palm Springs airport for the group's return next week.

They departed Monday by Pan American World Airways for a Honolulu vacation.

THREE WOMEN, all members of the 98ers, international women's flying club, were in the group: Mrs. Herman (Deedo) Heise, winner of the 1949 Powder Puff derby from Cleveland to New York; Mrs. Frank Dean of Madison, and Mrs. S. J. Wittman of Oshkosh, wife of a midjet airplane designer and builder.

Flight leader is Howard Morey, Madison Cessna distributor who is conducting his third successful long-distance private plane caravan. A World War II civil air defense director, Morey is credited by the private pilots as adding immeasurably to their enjoyment of personal flying.

## NAACP Branch Planned Here

Tonight at 8 o'clock the public is welcomed to a meeting to effect the organization of the Palm Springs branch of the National Association for the Advancement of Colored People. Meeting will be in Mexican hall on Calle Santa Rosa.

W. H. Underwood, regional field organizer from the NAACP regional office in San Francisco, will be in Palm Springs until Feb. 15.

## And Now—Fishing at Polo Grounds

Baseball and fly casting don't mix, except in Palm Springs. Aspiring Waltonites can learn the fine art by showing up any Sunday morning at 10 at the Polo Grounds baseball diamond. Ralph Shelley of Shelley's Sportsman's Center gives free fly casting lessons to all interested. Bring your own gear.

## From Page One—MORE ABOUT CHAMBER

draw its strength from the county's "grass roots." The committee appointed by Varner will study the proposals along with others and finally recommend a plan of organization for the chamber, a set of by-laws, and objectives. ALL AGREED the five Supervisors, the directors of the chamber, the managers of the city chambers of commerce, and the citizens present, that the existing organization is doing all a county chamber of commerce should do.

The group rejected a proposal to rename the chamber: "The County Board of Trade."

The meeting arrived at no recommendation of a choice for the new manager of the chamber

## WHAT IS SACA-PELO?

Saca-Pelo is the most remarkable scientific discovery of the age, which will permanently kill the roots of all superfluous hair. Saca - Pelo contains no drug or chemical, and can be applied easily in the privacy of your own home or in a LOR - BEST LABORATORIES 679 Granville St. Vancouver, B.C.

(to replace R. M. C. Fullenwidder, who has resigned to give full time to management of the Riverside county Fair and the Orange county Fair).
